### SERVICE FROM ALL IN WINNING THE WAR

Thousands of letters have been received by the National Service Board of Canada from men and women asking what they can do to win the war. Every man and woman in the Dominion can "serve by saving." At no time in the history of the war has there been such necessity for thrift. National economy is essential to victory. Your dollars may turn the scale that will break the German line. Every cent you save means that much more money for the conduct of the war. Stop all but essential expenditures. Consider every purchase before you conclude it. Remember that luxury, and thoughtlessness and extravagance are crimes against the State which needs every dollar you can spare. Remember that men are dying for you while you are only asked to save for them. Prove your patriotism by investing in the Government War Savings Certificates. Your nearest money order, post office or bank sells them.

### KAISER'S MAILED FIST TO AID CONSTANTINE

Berne, June 18.—A telegram from Berlin says the Kaiser has addressed the following message to one of the Greek diplomatic representatives abroad for transmission to former King Constantine:  
 "I have heard with wrath of the infamous outrage committed by our common enemy upon your dynasty. I assure you that your deprivation can be only temporary. The mailed fist of Germany, with further aid from Almighty God, will restore you to your throne, of which no man by right can rob you. The armies of Germany and Germany's allies will wreak vengeance on those who have dared so insolently to lay their criminal hands on you. We hope to welcome you in Germany at the earliest opportunity. A thousand cordial greetings from (Signed) 'YOUR WILLIAM'."

## Where You Cannot Prophecy — PREPARE !

NOT even the best-informed man in government or business circles dares to attempt a prophecy of conditions after the war. We hope for the best—meantime wise men are preparing now for anything.

### How ?

By regulating their expenditures according to their actual needs rather than by their prosperity—by husbanding the surplus—and by investing to the limit in Canadian War Loans that help so much to maintain present prosperity.

Money saved and loaned to Canada by Canadians is a two-fold safeguard for the future. The lenders will benefit directly from the excellent interest return and absolute security—and indirectly because the interest thus kept in Canada will help to keep business good after the war.

Canadian War Savings Certificates are issued in denominations of \$25, \$50 and \$100, repayable in three years. At the purchase prices of \$21.50, \$43 and \$86 respectively, they yield over 5% interest. Buy them at any Bank or Money Order Post Office.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.
