

There has never been a better time in the history of Prince Rupert to buy a home site than the present moment.

Here is a pair of Third Avenue lots that can be bought at a price that is not prohibitive for residential purposes.

These lots are so located that they are a splendid residential site now and will be good business property at no distant date. They have a frontage of 58 feet on Third Ave., the street level, and they slope gently up toward the rear. Buy these now, build your home on them and by the time you no longer care to live there the lots will be worth a good deal more for business purposes than the house and lots cost you. They are lots 16 and 17, block 26, Section 1. Price \$2200 for the pair.

GERMAN FINANCES IN BAD CONDITION

London, June 28.—Attempts of German business men to convert all kinds of holdings into the currency of neutral countries, which are causing a slump in the price of their mark, continue to be reported.

It is declared in many quarters that the German financial structure is nearing wreck, which has been impending since the United States entered the war. This event, it is believed, smashed all idea among neutrals that Germany had any chance to win. Even Vorwaerts points out that the continuance of the war insures Germany's ruin. It says:

"The best means of preventing depreciation is a speedy peace. All other means are nothing but apologies."

Charlie Chaplin in "The Cure" is sure a sure cure. See him in his funniest riot for a tonic. A guaranteed "Cure." Tonight only. Westholme, 10 and 25 cents.

The Pioneer has arrived with 50,000 pounds of halibut; the Stranger, 16,000; Jupiter, 7,000; H. and R., 5,000; Brothers, 13,000, and Seymour, 42,000 pounds.

Over the weekend, there are many disciples of Izaak Walton going abroad to the various haunts of the speckled beauties. Trout ought to figure largely on the menus of Prince Rupert after Monday.

Jack Lindsay and C. T. Bainter sailed into the harbor today after a trip up to the Khtada Lakes. They were after the big rainbow trout there, and if they got many like the one they displayed when passing the wharf, they sure have got something.

A sale of useful articles in aid of the Red Cross will be held in the Red Cross tent on Third Ave. on Saturday, June 30. The articles have been made by the boys attending the manual training school, either at special classes held twice weekly for some weeks past, or during the ordinary school course. Help the boys to "do their bit."

MONEY WASTED

In one city alone in the Dominion it is estimated that half a million dollars a year is spent in unnecessary parcel deliveries from department stores. In England small parcels deliveries have been refused since the early months of the war. Millions of dollars are being wasted in Canada in just such small ways. Those millions are required for war purposes. The average Canadian family before the war wasted 25 per cent of its food. That waste is still going on, though to a lesser extent. But there must be elimination of waste, denial of luxuries, sacrifice of personal convenience and rigid exclusion of extravagant methods if the country is to bear its war burden and maintain its military, industrial and financial establishments. The representative of one of London's leading tailoring establishments reports that more dress suits and dinner jackets are being bought in Canada today than ever before in his experience and he has been visiting the country for a score of years. Such extravagance is absolutely opposed to the best interests of the country. The National Service Board is appealing to you to save your money and buy Government War Savings Certificates. Canada needs your dollars.

WESTHOLME THEATRE

The splendid programme given at the Westholme last night will be once more presented tonight. The double attraction filled the house to its capacity last evening, and the fare provided for the patrons was certainly appreciated. "Slander," in which Bertha Kalich is the central figure, is a play of very great interest, in which the eternal problem of the different standards of conduct from a woman is brought clearly out. This play is a strong argument for the woman's side of the case. Charlie Chaplin is also to be seen in his latest exposition of the ridiculous. Charlie taking "The Cure" is certainly something to tickle the risible faculties of the most grave and solemn. The house rocked with laughter from the very start, and this play would certainly assist in shaking off a grouch.
