

There has never been a better time in the history of Prince Rupert to buy a home site than the present moment.

Here is a pair of Third Avenue lots that can be bought at a price that is not prohibitive for residential purposes.

These lots are so located that they are a splendid residential site now and will be good business property at no distant date. They have a frontage of 58 feet on Third Ave., the front of the lots is a little above the street level and they slope gently up toward the rear. Buy these now, build your home on them and by the time you no longer care to live there the lots will be worth a good deal more for business purposes than the house and lots cost you. They are lots 16 and 17, block 26, Section 1. Price \$2200 for the pair.

WESTHOLME THEATRE

In the Westholme Theatre tonight, a photoplay will be screened called "The Happiness of Three Women." This is a production from the Famous Players' studios, which in itself is a guarantee of excellence. The stars are of the first class, being House Peters and Myrtle Stedmann, and in this play they do live up to their reputations. The happiness of three women is quite a responsibility in these latter days, most men being content with less. How the problem is worked out in this play is a matter of great interest. In view of after the war conditions, it should be quite instructive. This photoplay is one of great human interest, and it should not be missed.

There will also be a Pathe Gazette, quite up to date, a travelogue, and a laughter-bringing comedy. Altogether, the programme for tonight is a very well balanced one.
