VON LUNDENDORF DISLIKES AMERICANS

Paris, Feb. 27 .- Americans arriving in the French capital from Berlin, who were in a position to see what was taking place behind the screen, regard General von British Lundendorff, the First Quartermaster-General of the German imperial army, as the most vital person in the small group surrounding Kaiser Wilhelm, which is responsible for the German policy.

Americans say, appears to be the troops. Today they are less than brain that conceives the military two miles away and the outer de-Hindenburg, Chief of the General moved.
