Do you have anything left for yourself at the end of the month, or do the grocer, the butcher, the baker, the coal man and so on get it all?

If so, then you are living wrong. Did you ever think of the soil as an avenue of escape from this high cost of living?

Buy a few acres of land where you can raise your own vegetables, and some to sell besides; where you can supply your table with poultry and eggs, where you can grow your fruit, where you can have a cosy home in the fresh air and sunshine, with no rent to pay.

WE CAN WIN THE ENGLISH DERBY

Vanderbilt's Colt Montrose Will Probably Prove to Be Leading Favorite—He Won Six Out of Nine Races Last Season.

London, March 7.—This year even the most partisan of English turf critics admit that the famous stakes may be won by Mr. Vanderbilt with his chestnut colt, Montrose II, a son of his famous horse Montrose, who in his very first year at the stud has begot what is conceded to be the best colt in France and possibly better than any English rival.

When a yearling, Montrose II was purchased by Mr. Vanderbilt's trainer, William Duke, at a sale at Deauville in 1910 for \$13,000. He was bred by Mme. Lemaire de Villiers. During the season of 1911 Montrose II won six out of nine races, and when he was beaten in one of his best efforts he was conceding seventeen pounds to the winner. Without doubt he is the most valued of all the fifty-five horses Mr. Vanderbilt has in training at St. Louis de Poissy.

Montrose II is in the skillful hands of an American, William Duke, who for the last eight years has been training for Mr. Vanderbilt. All the greatest triumphs of the French turf have been won by Mr. Vanderbilt since Duke took charge of the horses.

SOME HONESTY LEFT

Ontario Draws Line at Road Men Mixing in Politics.

Toronto, March 6.—Before the adjournment Mr. Rowell drew the attention of the Prime Minister to a report that License Inspector Bromwell of North Renfrew was taking an active part in the by-election in South Renfrew. The Liberal leader asked if this would be investigated, and if correct, be stopped.
"Of course," replied Sir James. "It must not go on. If it is going on we will have it stopped."
Hon. Mr. Hanna stated that his department would not countenance such practices.

The Railway Commission has ruled that the depot must be located some distance west from the Fraser River on the Indian reservation. Do you see the point? It means the location of the depot right at the east part of the Fort George townsite, near Fraser Avenue.
