**CASE AGAINST THE
TIMES IS DISMISSED**

London, June 8.—The government's case against the London Times and Major E. H. Richardson on the charge of revealing information useful to the enemies of Great Britain, was dismissed by Sir David Burnett in the Police Court.

The defence contended that the information in question contained in a letter written by Major Richardson and published in The Times was well known to Germany. It was to the effect that the last of the French reserves were in the field and that raw young recruits had been called up. The case was heard under the Defence of the Realm Act.

Many persons who invite criticism howl when they get it.

BELLA COOLA NOTES

It is definitely decided that W. H. Gibson will spend his vacation in the Old Country. He leaves San Francisco on the Kronland, June 9.

J. Fall, C. E., has returned from a trip made to examine feasible routes for a wagon road from Bella Coola to the interior. He went through the whole length of the Stillwater Valley and found good grade all the way. He thought, however, that it would prove to be a rather expensive undertaking to build a road through there, because considerable rock-work would have to be done—Bella Coola Courier.

MAJESTIC THEATRE.

The Majestic Theatre presents another fine program tonight and tomorrow. "Premature Compromise," in two parts, a continuation of the second adventure of the young Lord Stranleigh, heads the bill. There is the usual supply of real good comedy in "Mrs. Murphy's Gooks" and "Curiosity," and a Western drama entitled "The Black Wallet."
