Local News Notes

Alan Dumbleton, of Victoria, a well known barrister of the province, is at the Hotel Prince Rupert.

An express train of fish left for the east today at 9 a. m. There were six cars of fresh and two cars of frozen fish.

Mrs. Thomas Stewart, whose husband was reported wounded in a recent casualty list, states that she has had no official confirmation of the report.

"THE LOVE OF WOMEN" AT THE WESTHOLME THEATRE

The Westholme tonight presents a very fine three-reel society drama entitled "The Love of Women." It is the story of a painter who becomes enamoured of an actress and neglects his fiancée. How true love finally conquers is strikingly portrayed. It is an excellent picture. "The Unsparing Sword," the tenth episode of "The Road O' Strife," is full of dramatic situations.

There is also a "Bud and Ham" comedy, which is sure to provide lots of fun as Ham features invariably do. "Two Bold Bad Men," a comedy, concludes a real good program.

On Monday, the seventh installment of "The Diamond from the Sky" will be shown, as well as an English Gazette.

"HER PROPER PLACE" AT THE MAJESTIC THEATRE

The Majestic Theatre tonight and tomorrow screens another attractive bill, the chief item of which is a three-act Edison drama entitled "Her Proper Place." It is a society drama, in which an attractive girl, who has been disappointed in love in her home town, goes to Washington as stenographer to a broker. Working late one night, she hears a row in a senator's office opposite occasioned by a gambling gang who have failed to persuade the senator to oppose an anti-betting bill. The gang leader shoots the senator, and the girl goes to his rescue. On recovering, he offers his rescuer money which she refuses. Returning to her home town, she tells her friends that she is engaged to the senator, and the report comes to his ears. Out of curiosity, the senator visits this town and finds that his reputed fiancée is his former rescuer with whom he has, unknown to the girl, fallen in love, and all ends happily.

Included in this splendid program is a series of "Dreamy Dud" cartoons, which will delight everybody, a thrilling railroad drama and a most laughable comedy entitled "Superfluous Baby."

PANAMA CANAL MAY BE CLOSED FOR TWO MONTHS

A careful survey of the slide area in the Galliard cut in the Panama Canal reveals the fact that there probably are 10,000,000 cubic yards of earth in motion which must be taken out by dredging operations before a permanent channel through the cut is possible. This is the conclusion reached by the canal engineers, who concede that there is now little hope of opening the waterway, even for the temporary use of shipping, much before the first of the year.—World Wide.

INSPECTION

INSPECTION of the Gillette Safety Razor
by mechanical experts and men of judgment shows clearly WHY seven million shavers prefer it.

The thin, flat blade is tempered to a uniform hardness impossible in an ordinary thick-backed razor. As a natural result, it takes an edge unequalled for even keenness.

The curved holder supports the blade close to the shaving edges, preventing all that vibration which makes hollow-ground open blades and other safeties pull and irritate when they strike a stiff beard.

Then there's the adjustable feature, exclusive to the Gillette.

By a simple turn of the wrist you can regulate a Gillette shave to a nicety—light, medium or as close as you like.

The toothed guard ensures safety, and permits such free and rapid strokes that a smooth, clean Gillette shave need take no more than three minutes.

Inspect the Gillette and you'll buy it—and shave in comfort thereafter. Go to it! Your Druggist, Jeweler or Hardware Dealer will gladly parade the Gillette Line before you.

"Bulldog", "Aristocrat" and Standard Sets, \$5.00—Pocket Editions, \$5.00 to \$6.00—Combination Sets, \$6.50 up.
