EIGHT-REEL SHOW AT WESTHOLME THEATRE

There is another eight-reel show at the Westholme tonight and tomorrow, the chief item of which is "Like Father, Like Son," a two-act modern drama featuring Ed. Coxen and Winifred Greenwood. There is also a stirring western drama entitled "Gunman," the title of which suggests something wild and woolly. "Alternative" is a powerful one-act drama, and "Purser Pursued" is an exciting western feature. "Nellie's Wedding" is a rollicking comedy while "How Motion Pictures are Made" is a Keystone comedy of the scream variety.

The second episode of "Graft" will be shown on Monday and Tuesday, when the tenement graft is exposed.

PRINTERS' "PI."

THE G. T. P.

IS EVIDENTLY prepared TO LEASE the drydock. PROFITS in shipbuilding ARE ENORMOUS meantime AND ANY ship WHICH WILL carry lumber IS worth MUCH more THAN IT cost TO BUILD her. FIFTY citizens SUBSCRIBING \$500 each COULD start building AN AUXILIARY schooner WHICH would carry A MILLION and a half FEET of lumber. SO great IS the demand THAT such a ship COULD be sold AT A BIG profit BEFORE she is HALF built. ANOTHER would follow AND, ALONG with

THE BUILDING

OF FISHING schooners, SHIPBUILDING IN PRINCE RUPERT WOULD be REALLY started. MR. DONNELLY says IT CAN be done AND what COULD be better THAN that IT BE done BY THE citizens THEMSELVES. THE CITY MIGHT provide FREE power and light UNTIL such time AS PROFITS are showing. IF THIS were done, CITIZENS would have THE satisfaction OF HAVING done something FOR themselves INSTEAD of waiting FOR others TO HELP them out.

SKEENA LAND DISTRICT—DISTRICT OF COAST, RANGE 4.

TAKE NOTICE that Clyde Heller, of Philadelphia, occupation mine operator, intends to apply for permission to purchase the following described lands:

Commencing at a post planted about one hundred yards northerly from the mouth of Paradise Creek on the easterly shore of Bear Lake, Princess Royal Island; thence east 40 chains; thence south 20 chains; thence west 40 chains more or less to the shore of Bear Lake; thence northerly along the shore of said lake to the place of commencement, containing 80 acres more or less.

February 18, 1916.

"THE WHITE PEARL" AT THE MAJESTIC THEATRE

Tonight at the Majestic Daniel Frohman will present Marie Doro in "The White Pearl," a five-act Egyptian mystery play. Marie Doro requires no introduction to a movie audience and tonight's big feature should prove to be one of the most spectacular photoplays screened here. The piece is magnificently staged while the story is highly interesting. A Gaumont Gazette of the latest war and world's news makes up a good bill.

On Monday H. A. Harvey and L. Amadio will make their big opening at the Westholme, when special features will be shown. They intend to give Prince Rupert audiences the finest films which have ever been shown here.

Modern Beacon Fires

THE old beacon fires were the great advertising mediums of their age.

Though they could not advertise merchandise, they advertised the things of most vital interest to the people.

Placed on the summits of high hills, bearing a message to thousands of "readers," they were prototypes of those modern fires of Twentieth Century commerce—the "beacon" fires of Newspaper Advertising.

The advertisements appearing in the newspapers to-day are shining lights in the world of commerce, flashing out news and information to a waiting world.

When the modern manufacturer lights the Beacon Fires of Newspaper Advertising he places his message before the people in a way that will impart knowledge, beget appreciation and win preference for his goods.

Who can fail to see any day the gleaming messages of "Magic Baking Powder," "Standard Ideal Ware," "Sunlight Soap," "Gillette Safety Razors," "Penman's Underwear," "Infants' Delight Soap," and many others?

To the Manufacturers of Canada

Each day sees more articles given publicity in the newspapers. Are your products and your brand still in the valley of obscurity, or are they blazoned forth by the beacon fires of advertising on the big bill of public favor?

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumada Building, Toronto.
