THE CARE OF A PIANO

If an artist or cultivated musical amateur has a piano he will naturally keep it or have it kept in good tune. This applies with even greater force to the person who is beginning to form a taste for music. There is no more serious mistake than to imagine that any piano is good enough to practice on.

Have G. C. Walker, piano tuner, attend to its needs by the year—all work guaranteed.

PRINTERS' "PI."

OUR contemporary UP the street CLAIMED recently THAT the fire ON THIRD Avenue WOULD have been BETTER controlled HAD the brigade NOT been reduced. BECAUSE WE pointed out THAT the brigade IS ONLY one man SHORT of ITS FORMER strength OUR little friend HAS a brainstorm, AND BOILS over, AND develops SIGNS of frenzy. THE DAILY NEWS NEVER suggested THAT the city SHOULD not have AMPLE fire protection BUT simply POINTED out THAT surely SUCH stalwarts AS George Frizzell

AND Bill Montgomery AND the others MUST have done MORE work THAN ONE fireman COULD have done. WE REPEAT that THE INSURANCE adjuster, WHO HAPPENS to know SOMETHING about fires, EXPRESSED surprise THAT the blaze HAD been SO WELL controlled. THE efficiency OF THE fire brigade WAS NEVER discussed BY the News, SO THAT Sam MUST have been THINKING about SOMETHING else AND GOT things mixed. IF the fire brigade IS inefficient now, IT NEVER was EFFICIENT WHEN it had ONLY ONE man MORE than now.

THE WESTERN UNIVERSITIES BATTALION NEEDS FIFTY MORE MEN TO COMPLETE THE ESTABLISHMENT.

THOUGHTFUL MEN OF EDUCATION

Leaders in the community should help the cause, by impressing upon the public the need for men, and the common duty. There is only one convincing way to do this,—by ENLISTING YOURSELF.

A DOUBLE SERVICE!

You not only give your own service to the nation, but incline others by your example.

You have no future, your dependents have nothing to live for, if Germany wins. Dare you take any chance in such a matter? The greater the number of men available for service, the shorter the war, and the fewer the losses. You owe it to yourself, your country, and the boys at the front, to act at once.

Men of the University type have already done much—thousands have gone—but their identity has been lost in the various units they have joined. The University Battalion was designed to preserve their identity—to help by force of example as well as by service in the field.

You have an opportunity of rendering the double service, under most agreeable conditions in the Western Universities Battalion. Don't wait for your neighbor to point the way or to force you to do your bit.

Apply at once to the Officer Commanding U. of B. C. Company, 196th Overseas Battalion C. E. F., corner 10th and Laurel Street, Vancouver, B. C.

Large advertisement for Prince Albert cigarettes featuring a portrait of a man smoking a pipe and the text 'PRINCE ALBERT the international joy smoke is the real tobacco for jimmy pipes and makin's cigarettes'.

Back up and get a fresh start!

For men who got away to a false start on a pipe or home-made cigarettes Prince Albert has a word or two for what ails their smokeappetites! Forget you ever tried to smoke, for Prince Albert is so different, has such a fine flavor, and is so cool and cheerful and friendly, you'll get a new idea of smoke joy! The patented process cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

This little talk is also for men who think they're on the right track. All to be said is that the sooner you lay out the price for a supply of Prince Albert, the sooner you'll make a discovery that'll be worth a lot to your peace of mind and tongue! If your dealer cannot supply it, ask him to secure Prince Albert through his wholesaler. Get the idea of smoking all you want without a comeback—that's P. A.!

On the reverse side of this tidy red tin you will find: "Process Patented July 30th, 1907," which has made three men smoke pipes where one smoked before!
