Laurier Addresses Big Recruiting Meeting

(Special to The Daily News.)
Montreal, Sept. 28.—Sir Wilfrid Laurier, who seems to have quite recovered from the effects of his recent illness, addressed a gathering of fifteen thousand people here last night on the war situation. The aged Liberal leader was given a great reception. After outlining the military situation he emphasized the urgent need of more recruits in Canada and fervently urged the people of Montreal and of the province of Quebec to render still more military assistance.

The British Red Cross are making an extra special appeal for help as the terrible casualty lists grow and our wounded men must not be allowed to suffer.

DISASTROUS FIRE AT QUEBEC LAST NIGHT

(Special to The Daily News.)
Quebec, Sept. 28.—Fire last night destroyed the Beaumont Home for orphan children and elderly people. The flames had got a firm hold on the building before the fire fighting force arrived and the structure was completely destroyed. The rescue work was carried out with the utmost despatch but it is feared that a portion of the two hundred inmates have perished in the flames.

P. McLACHLAN DIED OF HEART FAILURE

As reported in The News yesterday, Peter McLachlan died suddenly on a mining trip in the Gardner Canal country. It seems that, with David Stewart, he had paddled a canoe upstream and had worked so hard that the exertion seemed to affect his heart. He fainted and was taken ashore where they camped for the night. He seemed to have recovered next morning and said he was feeling all right. When breakfast was ready, Mr. McLachlan did not respond to the call and on Mr. Stewart going to the tent he found him unconscious. He never fully recovered consciousness and passed away while he was being taken on board the launch Wagwan.

Deceased was about 67 years of age. He has a brother in Victoria and a son in Ottawa. His family have been communicated with and no funeral arrangements will be made until they are heard from. Mr. McLachlan was a native of eastern Canada.

SHACKLETON'S PARTY ARRIVES AT SANTIAGO

(Special to The Daily News.)
Santiago, Chili, Sept. 28.—Sir Ernest Shackleton and his party of explorers have arrived here. Sir Ernest was successful in rescuing his men, who have been marooned on Elephant Island for several months, at the third attempt. The first two relief expeditions outfitted by the Chilean government failed to reach the island owing to the vessels being unable to withstand the ice pressure. Sir Ernest intends to proceed to England after thanking the president of the Chilean Republic for his government's assistance in carrying out the rescue.

"BRIGADIER GERARD" AT WESTHOLME THEATRE

Lewis Waller and Madge Titheradge are the great attraction at the Westholme tonight in "Brigadier Gerard." It is a story of the great Napoleon and his friend and enemy Talleyrand, who forgot the name of the gentleman who plays Talleyrand but his acting is sure to be remembered. It is great. Waller, as a gallant young officer who is laughed at by his companions but proves a hero partly by accident and partly by design, is splendid. Madge Titheradge is a stately Countess Roquelaure.

There is a fine universal Weekly, showing the big munitions firm on Black Tom Island and a Nestor comedy entitled "Almost a Widow."

GALT'S REPLY

(Special to The Daily News.)
Winnipeg, Man., Sept. 28.—Judge Galt's answer to Hon. Robert Rogers' telegram of yesterday was "My authority to punish for contempt of court has been challenged. The question is now before Mr. Justice Haggart for decision."

BRITAIN WITHDRAWS TOBACCO EMBARGO

(Special to The Daily News.)
Washington, Sept. 28.—The British government has withdrawn its new regulations forbidding the importation of cigar tobacco into the United Kingdom. The measure was part of the British scheme to relieve the pressure on ocean tonnage which is getting very scarce. American tobacco growers made strong representations to Washington, stating that the new regulations would ruin their business, as much of their trade is with Britain where the leaf is brought in and cigars manufactured in England.

ANYOX HONOR ROLL UNVEILED ON SUNDAY

At the service in the Methodist Church at Anyox last Sunday evening the Anyox Honor Roll was unveiled by Rev. S. S. Osterhout, Ph. D., president of the Methodist Conference of B. C. Rev. H. C. Andrew in his opening address welcomed the president to Anyox, making fitting reference to the men who had fallen for the Empire and dwelling upon the need for a greater unity of national ideals throughout the world.

Rev. J. H. Atkinson then gave an address in which he called for greater self-sacrifice in social life, drawing his illustrations from the sacrifice made by the boys who had given their all in the cause of liberty.

After unveiling the Roll of Honor, Rev. S. S. Osterhout delivered an eloquent and earnest address on "Some Causes of the War." He pointed out that one of the greatest factors in bringing about the war was the founding of German education upon wrong ideals while another cause was a false interpretation of the teaching of Christ. During the evening, solos were rendered by Messrs. Mawer and Jones, the accompaniments being played by Mr. Thomas.

BANDITS HOLD UP MICHIGAN EXPRESS

(Special to The Daily News.)
Detroit, Mich., Sept. 28.—The Michigan Central, New York and Chicago express was stopped by bandits near Dearborn last night. The robbers uncoupled the engine, extinguished the fire and assaulted the engineer and his fireman, throwing them from the cab. They then proceeded to ransack the express, mail and baggage cars after which they made their escape.

"FORBIDDEN ADVENTURE" AT MAJESTIC THEATRE

The Majestic Theatre was packed last night to see Helen Holmes in the fourth episode of "The Girl and the Game" and none could have been disappointed. This daring young actress keeps an audience on the tip-toe of excitement right through. The story in itself is interesting and there is a rush about it that is gripping.

"Forbidden Adventure," the five-act feature, is a direct contrast, being a story of an ancient city in Arabia into which a white traveller ventures and immediately gets into trouble by falling in love with a daughter of the desert and a priestess at that. The path of love is made rather thorny by the old priests and the young couple have adventure enough before they reach the happy ending. The music is up to the usual high standard and the entire show is good.

The following special musical items are selected to suit the "Forbidden Adventure." Four Indian Love Songs and Egyptian Ballet Suite. The overture is "Poet and Peasant."
