The only reason why they are grouped together in different forms of religions is because they honestly believe that through their own particular form of religion they will find the good which they so earnestly desire.

As one considers the subject of religion from this broad viewpoint it becomes entirely plain that most of the people in the world are believing as their re-

ligion many things that are not true.

True religion consists of spiritual truth, and not of erroneous beliefs; hence it follows that one's religion is limited to the amount of spiritual truth he knows, and that erroneous religious beliefs are only so many delusions that serve no other purpose than to obstruct spiritual growth.

Christian Science aims to destroy erroneous religious beliefs by substituting a knowledge of truth in place thereof, and to destroy out of the human mind all evil qualities by planting good qualities in their stead. It wages relentless warfare against all wrong mental qualities. It seeks to substitute love in place of hate, unselfishness in place of selfishness, honesty in place of dishonesty, and truth in place of error. It lays tremendous emphasis upon the necessity for "bringing into captivity every thought to the obedience of Christ," (II. Cor. x, 5) as the Bible commands. It shows that the cause of all disease and sin is mental, and not physical, and that both sickness and sin are destroyed by the evangelization of the human mentality with truth and love. It teaches without any reservation whatever that the truth taught and practiced by Jesus, when understood and applied, is sufficient without drugs or any material means to heal the sick and regenerate the sinner, and Christian Scientists everywhere are engaged daily in demonstrating and proving this to be true.

Mrs. Eddy is acknowledged to be the discoverer and founder of Christian Science, and many people ask what it is that she has discovered. In reply it can be said that she has discovered the law of Spirit which is spiritual truth.

Mrs. Eddy discovered the law of Spirit as truly as Sir Isaac Newton discovered the law of gravitation, and this fact should be thoroughly understood. Just as Newton discovered that the movements of material bodies are regulated and governed by this material law, so Mrs. Eddy discovered the principle that governs the entire universe, including every detail in the lives of men. That supreme, creative, governing, omnipresent Mind or Principle is God, the only cause, the only creator, the only Ruler of man and the universe.

## No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

### EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar  
1 1/4 cups water  
1 cup seeded raisins  
2 ounces citron  
1/2 cup shortening

1 teaspoon nutmeg  
1 teaspoon cinnamon  
1/2 teaspoon salt  
2 cups flour  
3 teaspoons Dr. Price's Baking Powder

The old method (fruit cake) called for 2 eggs

DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan (crossed tin with hole in center is best) for 35 or 40 minutes. Ice with white icing.

Booklet of recipes which economize in eggs and other expensive ingredients mailed free. Address 6 St. Lawrence Boulevard, Montreal.
