CHARLIE CHAPLIN AT WESTHOLME TONIGHT

At the Westholme Theatre tonight there will be an extra full program. There will be shown two photoplays, either of which in itself would be a sufficient ordinary attraction. Charlie Chaplin will be shown in the latest of his successes. In "The Cure" Charlie attains to heights of ridicule as usual, and this play is one continuous ripple of laughter from beginning to end. The other attraction is "Slander," which is a modern society drama, in which modern every-day problems are brought to the front. This is a play that will give those who see it much food for thought, and it is presented in a splendid fashion. Bertha Kalich is the star in this play, and she needs no introduction to the public here. Owing to the long programme an earlier start will be made tonight, the proceedings will commence at 7 p. m.

"A Dollar In Time, Saves Nine"

A VISIT to The Bank of British North America for the purpose of depositing part of your earnings, becomes a pleasant and profitable habit, when once you have acquired it.

The dollar you use to open an account in the Savings Department in turn saves others, as the habit of saving grows.

THE BANK OF British North America

Friday will be under the care of Mrs. H. Peck and Mrs. Rogers. Greater supplies of home-cooking can always be disposed of than are received, and to overtake the demand, greater contributions are necessary.
