CHILDREN'S CLINIC OPENS AT EDMONTON

Examinations Made of Children for First Time.

EDMONTON, August 7.—Eleven children were examined at the first children's clinic in connection with the new child welfare policy of the department of health of the provincial government. The clinics are held each Tuesday and Friday afternoon in the Williamson block and the nurses in charge are Miss Blanche A. Emerson and Miss Minnie Wilkin, both graduates of the Hamilton General Hospital. Miss Emerson took a course in infant welfare work and for three years was connected with the babies' dispensary in Hamilton. Dr. D. B. Lietch was the doctor in charge on Friday and Dr. Follinsbee on Tuesday.

At the first clinic, five of the eleven were of pre-school age, five were babies and one child was of school age; an exception was made of the latter as she was from Bon Accord where there is no school inspection. Of the eleven, three needed dental attention badly, five were cases of malnutrition due to improper feeding, and the others required minor operations. The nurses will follow up these cases during the week and see that the instructions are carried out at home. All are requested to report back to the clinics or be referred to their family physicians.

NO "TRAIL OF '98" FOR THE WANDERERS' CLUB

At the meeting of the Police Commission this morning an application was received from the Wanderers' Club to run an entertainment to be known as the "Trail of '98." This entertainment was to be given for the purpose of raising club funds. Among the features proposed were wheels of fortune, chuck-a-luck, craps, cards, etc.

The commission refused the request on the ground that the funds would be of the same nature as a rake off for the house.

R. K. Neill and party of five arrived from Stewart by the Prince George last evening and continued by the same boat to Vancouver.

Last evening's train from the east arrived in two sections. There were many travellers and two specially large parties known as "The Prairie Club" and "The Servis Party" of Chicago passed through the city on the way to Vancouver.

She lets Sunlight do the work

Read Sunlight \$5000 guarantee of purity

Sunlight dispels the shadow that once hung over wash day

IN fact many women do not say "wash day" any more. They say "Sunlight Day". It's a genuine pleasure to use Sunlight Soap because it means an economical wash, it means a quick wash. Why? Because, Sunlight is absolutely pure—you need only half the quantity as compared with ordinary soaps, nor will Sunlight harm any delicate fabrics, or hurt your hands. And it really takes the labour out of the washing in surprisingly little time as you will see by following the directions.

Insist on getting the Soap you ask for—SUNLIGHT SOAP.
