DAILY EDITION.

Saturday, August 28, 1920.

There Will be Continuation of Work.

There are many stories going the rounds as to the future activities at our shipyard and many of these stories are, doubtless, exaggerated and others are just reports of plans formulating. If the plans are not carried out to the dot nobody will be surprised. The one thing that local people are concerned in is that this valuable industry which has meant so much to this town in the past twelve months will not be discontinued when the ships now under construction are completed. It matters little as to the number of ships or their kind as long as the plant is kept running at capacity. There seems little doubt, what with the developments of the past week as they have been announced, that the Prince Rupert yard will be kept running for some years to come and that is what people want to be sure of.

Will Mean Growth of City.

This shipyard has meant much to the city and if the extensions to the yards that are now proposed are carried out and a thousand or more men come here it will mean still more and the prosperity of the city will be further solidified. The addition of a thousand workers to the city will bring, directly or indirectly, an increase of population of perhaps two or three thousand souls. Rupert's population is now placed conservatively at seven thousand five hundred so it would seem safe to predict that within a very few months there will be a population of over ten thousand even if the extension to the shipbuilding industry is the only new development and no one thinks that it will be.

Business Will Also Improve.

The new ocean dock will be employing a large number of men all winter, the provincial government court house will probably be started and there is a possibility that something may come forth on station construction. These will all employ a good many workers and when their work on these places is done there will be other building work in the city. All will support a good many people and the people in their turn will support various businesses. This will mean either the expansion of present businesses or the coming in of fresh blood, either of which will have its building effect on the city. From all appearances it would seem that the city is due for a period of healthy and permanent development.

Housing Condition Is Serious.

While speaking of the growth of the city in population there is one fact that strikes the mind of any person. That fact is that if we are going to have more people in this city we must have places to put them. In all the American and Canadian cities there prevails a great shortage of houses and Prince Rupert is no exception. Even now any new family arriving in town has to search and search for housing accommodation. The only solution for this house question seems to be the establishment of building societies or the further extension of the existing housing scheme so that people of ordinary means might be assisted in building. The building of houses for rent under present conditions is not a profitable business and that is why no houses are being built for this purpose. Something, however, must be done and the problem is one of moment, one that should be taken up by the municipal authorities in the interest of the development of the city.

BECAME SO THIN SHE WAS AFRAID

"FRUIT-A-TIVES" Made Her Well, Strong and Vigorous

MADAME ARTHUR BEAUCHER

805 Cartier St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

"At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

Madame ARTHUR BEAUCHER.

PRINCE RUPERT TIDES

Saturday, August 28

High, 0:28 a.m., 19.5 ft.

13:07 p.m., 18.9 ft.

Low, 6:58 a.m., 3.7 ft.

19:09 p.m., 6.0 ft.

Sunday, August 29

High, 1:04 a.m., 20.1 ft.

13:35 p.m., 19.5 ft.

Low, 7:28 a.m., 3.3 ft.

19:41 p.m., 5.2 ft.

The time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight.

The table given is for Port Simpson but the time for Prince Rupert varies only a few minutes on some days and on others is the same. The range of the tide may be computed as 5 per cent greater at Prince Rupert than at Port Simpson both at springs and neaps. Therefore the rise in the Prince Rupert harbor is slightly greater than Port Simpson.

The height is in feet and tenths of feet above the average level of lower low water.

PRINCE RUPERT ELECTORAL DISTRICT.

NOTICE is hereby given that on Monday, the 13th day of September, 1920, at ten o'clock in the forenoon, at the Court House, Prince Rupert, B.C., a sitting of the Court of Revision will be held for the purpose of revision of the list of voters for the above-named Electoral District, pursuant to the provisions of the "Provincial Elections Act."

And notice is further given that any person claiming to be entitled to be registered as a voter in the above-named Electoral District may apply in person to have his name entered on the list of voters for the said Electoral District at the said sitting of the Court of Revision, notwithstanding the fact that his name has been omitted from the list of applicants for registration, or that he has omitted to apply for registration at the time or in the manner otherwise provided by the "Provincial Elections Act."

The list of applicants for registration is now posted and may be inspected at the office of the undersigned Registrar of Voters.

J. H. McMULLIN,

Registrar of Voters.

Prince Rupert Electoral District, August 2, 1920.

COLTS ARE CHAMPIONS

In Last Night's Game Won the Intermediate Trophy by 6-4 Score—Most Interesting Contest.

Last night the Red Sox failed at the last inning and the Colts carried away the game, thereby capturing the cup for the intermediate baseball league by the score of 6 to 4. The match was a thriller throughout and when in the last inning three Red Sox men held the bases it looked good to Harry Weber and his supporters. Harry Butler, the heady pitcher for the Colts, easily pulled himself out of the hole by holding Tommy Sherman down to an infield hit which he himself gathered in and placed at first.

It was a well contested affair and the style of play was worth watching. The cup which the Colts captured last evening is the same trophy which was won by Harvey Fraser's Colts of a number of years ago.

Umpires Donahue and McDonald were on the job all the time and there was little use for a batter to look round to the former for sympathy when he let a good one go by. McDonald on the bases was most satisfactory to all and when a runner overstepped the base was ready to point out by how far he had been off the bag.

The teams batted as follows—Colts—Roberts, Mitchell, Baby, Butler, R. Smith, E. Smith, Clapp, Sherman and Hill.
 Red Sox—Mitchell, Astoria, Jones, Frizzell, Rossiter, Leader, Sherman, Davidson, Charleton.

Sport Briefs

Some say "yes" and some say "no" as answers to the question as to whether or not the Trail Club has lost its chance to cop the Gihuly Cup. Certainly from the style of the play in the first half of the game on Wednesday evening one might have been easily convinced that they would carry off the honors. However, the Callies kept the game well in hand and pulled up nicely in the end, in spite of the opposing lead. But they couldn't put over the final punch, so that the Trail birds will be back just as ready for the pickings as before.

One of the thrilling and novelty contests slated for the sports at the Smithers Fall Fair is the prospectors' egg frying contest. Another event which ought to particularly attract entries from the same persons is the flap jack baking event. Such bright and cheering features help to cheer the dullness of any day's ordinary races.

The Lachine Rowing Club regatta is being held at Montreal today. Entries are open and Brockville and Ottawa will be represented in the fours, eights and singles. This regatta is held annually as a preliminary to the Canadian Henley at St. Catharines, Ont.

Last Sunday afternoon the G.T.P. football team at Smithers nosed out an eleven representing the town by the score of 3 to 0. The railway boys got away to an early start and netted all the goals in the first half. In spite of the heavy pressing of the town aggregation in the second half they were unable to convert the pigskin between the posts.

FIGURES ON THE NEW VOTERS' LIST

Although Increase Generally in Province, Prince Rupert, Omineca and Prince George Have Less Names.

Returns from every district except one, Atlin, bring the total number of registrations on the new provincial voters' list up to 202,017 and it is expected that the complete list will have 45,000 names over that of 1919.

The figures for Prince Rupert are 5,061 for 1920 as against 5,117 in 1919. Omineca has 1,419 which is 62 less than 1919. Port George has 2,724, four less than 1919.

Two-color window cards take the eye quickly. See them at the News Job Department.
