PAPER CLOTHES

Suits Being Imported into England from Germany

WASHINGTON, Aug. 28.—Paper suits made in Germany have been introduced in vast quantities into England as a means of combating the high cost of clothing and have proved both economical and durable.

This was the substance of a dispatch received by the Department of Commerce from the American Chamber of Commerce in London. The dispatch says in part:

"These ready-made suits are cut in English styles and are said to be of the best class of paper texture. They can be forwarded from Germany at a thousand for 120 pounds sterling f.o.b. and are being sold retail at 2s. 6d. to 10s. 6d. a suit. Last month 40,000 of these suits were imported by a firm of transport agents from Germany via Holland and another consignment of 5,000 is on the way. Further consignments are expected to arrive at frequent intervals.

"A large number of the suits have been reexported to India and South America, where they have been found ideal clothing for tropical climes. Some merchants in London are of the opinion that, in view of the present high price of clothing, there are wide possibilities in paper suits, especially in the industrial districts, if they could be cut more in the English style and to English tastes.

"The agents who are dealing in these suits state that by buying under the present rate of exchange it is possible for a man to purchase a new suit once a week, and that over a period of twelve months the entire cost would be less than the price of one West End suit."

SMITHERS

W. J. Service has returned from Montreal with his bride, nee Miss Sarah Andrews, daughter of Mr. and Mrs. James Andrews of Ballymena, Ireland. The groom is a popular member of the provincial police force here and everyone in the district has united in extending to them a very hearty welcome.

Mr. and Mrs. C. V. Smith of Hazelton have been visiting here for the past few days and expect to leave on an extended trip to the east on Saturday.

Mr. and Mrs. Frederick Ogleshaw are among the recent arrivals in town. Mr. Ogleshaw is an architect and will continue in his profession here. They will take up residence in the Joseph French house.

Mr. and Mrs. R. S. Sargent motored up from Hazelton last week. Included in the party were Miss Eric Richmond and Miss Wallace of New Hazelton.

George Robinson of the G.T.P. roundhouse staff sustained slight injuries to his wrist last week when a piece of steel broke off a chisel and entered his wrist.

A. F. Dunn has again resumed his position at the Government Offices, after a holiday spent with his brother at Twenty Mile.

Mrs. K. Steele has arrived from Winnipeg and is visiting with her daughter, Mrs. W. J. O'Neill.

Ranchers in the district who wish to send stock to the Fall Fair will be able to do so at just half the ordinary freight rate. They will only have to pay for transportation in one direction. This will greatly help in bringing a greater number of entries for the various events. Feed will be provided free this year as before.

The Department of Agriculture is sending three judges to the Fair this year. To many this means the recognition of the great Bulkley Valley event.

A band of gypsies visited the town last week-end. Their departure is said to have gladdened the hearts of a few of the residents who keep chickens.
