Pillsbury Thinks may Secure Some from Sydney, C.B; Understands Contract is Already Signed

VANCOUVER, August 30.-J. H. Pillsbury, superintendent of Prince Rupert Drydock and Engineering Co., is returning north was born in 1845. She often tonight after conferring with Newman Erb in regard to the contracts for the shipyard at Prince Rupert.

> Interviewed here, Mr. Pillsbury said: "We shall start the five tankers as soon as we get the steel." Steel was scarce, he said, but probably they would get enough from Sydney, Cape

> Mr. Pillsbury says he understands the tanker contract is actually signed. He is doubtful, however, if Prince Rupert could handle for some time even a portion of the order of fifty-eight ships rumored to be placed in Canadian yards.

> Newman Erb left on Saturday for the east, stopping off at Lake Louise to a ifer with C. C. Ballantyne, minister of marine, in connection we all shipbuilding contracts.
