Like a Tidal Wave Heart Disease and Nerve Troubles Sweep the Country.

Probably at no period in the world's history have heart and nerve troubles been so prevalent as they are today.

The heart can't stand the stress and strain of this busy, bustling age, and the care and worry, the anxiety and activity of business life constitute a serious drain on the nervous system.

The business of this work-a-day world goes with such a rush that the stoutest hearts and strongest nerves break down under the strain.

On the first approach of any breakdown of the system Midburn's Heart and Nerve Pills should be taken. The reconstructive power of these pills on the heart and nerve system is simply marvelous.

Mr. W. A. Wright, Hopewell Avenue, Ottawa, Ont., writes:—"After suffering for some time with my heart, I consulted a number of doctors, but got no relief. However, I read what Midburn's Heart and Nerve Pills had done for others, who had the same symptoms and thought I would give them a trial. Believe me, six boxes relieved me. I am feeling fine now, and can attend to my work every day. I can recommend your pills to any one suffering as I did."
