NEW FRAUD SCHEME TRIED IN HOLLAND

Alleged Russian Jewelry is Sold
Cheap at The Hague.

THE HAGUE, Dec. 27.—Europe's
newest scheme for defrauding the
public is that of selling supposed
Russian crown jewels. Knowledge
that some very valuable Russian
jewelry, confiscated by the Bol-
sheviki has actually been sold in
Holland recently has prompted a
number of shrewd confidence men
to take advantage of Dutchmen
desiring to buy something cheap.
The Hague police swooped down
the other night on a group of men
in a little cafe who, with their in-
tended victim, were negotiating
for the sale of 31 "pearl" neck-
laces and several packets of loose
"pearls" which were whispered to
have been surreptitiously sent to
Holland from Moscow and, there-
fore, were for sale cheap.

Only one of the necklaces was
found to be genuine. All of the
others, and also the loose packets,
were made up of imitation pearls.
The real one, according to the
police, was used as "bait."

WALES STILL HAS PLENTY OF GOLD

Common There Though Practi-
cally Vanished in Other
Parts of Britain.

LONDON, Dec. 27.—The golden
sovereign has almost vanished
from circulation in most parts of
Great Britain since paper cur-
rency has been issued, but in the
west of Wales gold is as plentiful
as it was before the war, says the
Daily Chronicle.

There the British sovereign
causes no surprise at all when
change is given and both the
sovereign and the half-sovereign
are passed frequently from hand
to hand until the banks get hold
of them.

With the exception of Spanish
currency, it is probable there is
as high a standard of gold cur-
rency in Wales as in any part of
Europe today. Welsh farmers
have earned big profits in the last
few years, and hoarded them. It
is these hoards of gold which are
now making their appearance.

FLOATING CREMATORY INSTITUTED IN TOKIO

TOKIO, Dec. 27.—Tokio will
soon have a "floating crematory,"
the first of its kind in Japan. Two
specially constructed vessels of
10 tons each with facilities for
cremating 30 bodies at a time will
be used. The vessels will be
anchored at a wharf at Shibura
and after funeral services have
been held on board they will leave
for a point about seven miles off
the bay for the cremation.

SMITHERS

Provincial government game
authorities in the district are
having considerable trouble with
the natives, who are trapping
beaver extensively regardless of
the close season. Several solemn
and stoical-faced Indians have
been hauled up on the carpet,
much to their perturbation.

Much elation is being evinced
by several well known Smithers
railway men who are interested in
the discovery of an excellent
domestic coal area, as well as oil,
which was made in rather an un-
usual manner early last July.
Late reports from mining experts
are most favorable, the report on
the oil showings announcing that
it was as good as any found so
far in Western Canada. The
discovery was made while operat-
ing a steam shovel at Fraser Lake,
about four miles west of Fort
Fraser. They uncovered a coal
seam four feet wide of the most
excellent appearance. The prop-
erty was immediately staked and
most of the crew of the shovel are
now joint owners of the embryo
coal mine as well as oil wells.

The concert by the pupils that
took place in the school house
last Friday evening would have
been a credit to a place very much
larger than Smithers is at pres-
ent. The teachers were the
recipients of many very flattering
and congratulatory remarks. The
talent was confined to regular
attendance of parents and friends.
The program went through with-
out a hitch. Roy Calderwood in
a one-act play and also as Santa
Claus was excellent.

Your Bed Pillows—
Would You Like To Have
Them Washed?

Bed pillows are seldom washed in many
households—the same pillows are used
through summer and winter, illness and health.

This often happens in the dwellings, too, of
housewives who are justly proud of their
home sanitation. Sweet, clean slips are used,
but pillows nevertheless are frequently over-
looked.

Why not send your pillows to us for a
thorough cleansing? We bubble them up and
down in pure soft water and fluffy suds. We
rinse them time and again. Then we dry
them quickly in fresh, warm air, and tumble
them until they become delightfully downy
once more.

It gives new life to the feathers, whether
they be snowy breast feathers, or the less
fluffy tail feathers. The pillow, too, is steri-
lized. Slumber becomes a new pleasure.

Send your pillows along next time our
driver calls for your family bundle. Or tele-
phone us and we will have our driver stop
next time he passes your way.
