HANNA WILL NOT NAME CONCILIATION MEMBER

Still Taking Arbitrary Stand on Dispute Over Famous "Hanna Order."

OTTAWA, Dec. 28.—The management of the Canadian National railways has notified the minister of labor that it will not name a person to represent it on the board of conciliation which was established to deal with the dispute between the employees and management over the "Hanna" order. In accordance with the provisions of the statute, the minister, having received this notification, will go ahead and appoint the company's representative himself. It is expected that the appointment will be made with the least possible delay, and that the two representatives will confer on the choice of a person to act as chairman. David Campbell of Regina has been appointed to represent the employees.

The dispute, which involves practically all the employees of the Canadian National system, members of fourteen different trades unions, results from the order issued by President D. B. Hanna, of the Canadian National system, which has the effect of dismissing any employee who accepts nomination, either federal or provincial. The employees are demanding reinstatement of employees dismissed as a result of the order.

POLITICAL ENEMIES BUT GOOD PERSONAL FRIENDS

Hon. J. D. Reid and Hon. W. L. Mackenzie King are Guests at Banquet

MONTREAL, Dec. 28.—At the banquet of the Dominion Travelers' Association, given here, the toast of "The Parliament of Canada," was responded to by Hon. J. D. Reid, minister of railways and canals, who jocularly welcomed his old friend, Hon. W. L. Mackenzie King, as leader of the opposition, and said he was glad to have seen him chosen for the post. Speaking of the luxury tax, Mr. Reid said that Hon. Mr. King "was with us when we put this tax on and I believe he was with us when we took it off."

As to the railways of Canada, Mr. Reid expressed a fear that the national railways would not show the same surpluses as the Canadian Pacific, and the position, he said, might be difficult until the national position got back to normal.

Hon. Mackenzie King then spoke and said that while he and Mr. Reid were strong personal friends, they were equally strong political enemies. Hon. Mr. Reid had spoken of thirty years' prosperity of Canada, but he had to say that of that period, fifteen years were the golden period of the Laurier government.

RUPERT TO GO BACK IN WATER

After Repair Men Make Examination Will Leave pontoons to Save Expense.

Representatives of the ship repair firms from southern cities will reach here on the Prince George tomorrow to commence their examinations with a view to tendering on the repairs to the wrecked steamer Prince Rupert which is now on the pontoons at the dry dock at Hays Cove.

It is likely that as soon as these examinations have been made the vessel will again be placed in the water by the underwriters to save the expense of keeping her in the dock. The boat will, however, remain in the harbor until the contract has been let. It is possible that the tenders may be hurried up so as to be in before January 5, the date that is now set for their closing.

Telegrams were last evening sent by the Board of Trade to the Department of Marine at Ottawa, and General Manager A. E. Warren at Winnipeg, inquiring if arrangements could not be made whereby H. A. Bull, the government's representative, or some other official, could submit a tender for the job of repairing the Prince Rupert at the local shipyard.

CHRISTMAS PARTY BECAME ROISTEROUS

Mrs. Louise Rice Fined \$50.50 this Morning for Allowing Drunkenness.

Mrs. Louise Rice was fined \$50.50 in the police court this morning by Magistrate McMordie for allowing drunkenness to take place on premises occupied by her on Fulton Street.

It appeared that the defendant endeavored to obtain the aid of the police when her Christmas party became a little too boisterous and out of hand, and telephoned the station four times. On account of its being the holiday season, the force were all out on active service, and no officer was available at the moment to go to her assistance.

Alex. Manson who appeared for Mrs. Rice, pleaded guilty to the charge and asked for leniency on account of its being the festive or holiday season of the year. The magistrate as well as the city solicitor, concurred with Mr. Manson, that this might possibly be taken into account.
