

What Would You Do?

Ten-to-one, you too, would use Zam-Buk! Everyday mishaps by the score, and most forms of skin and scalp disease are "doctored" quickly and efficiently at home by this highly concentrated herbal balm. Zam-Buk's rapid antiseptic healing and wonderful soothing and pain-killing power has been a world revelation.

Here's evidence from Canadian homes.

SCALDED FOOT. Mrs. Smart, 270, Harbison Avenue, Elmwood, Winnipeg, writes:— "A pail of boiling water upset over my foot. The flesh was scalded raw and badly blistered, when my husband applied Zam-Buk. It soothed the inflamed surfaces splendidly and more Zam-Buk brought perfect healing."

GASSED HAND. Mr. Austin Finlayson, of Esk, Sask., writes:— "I cashed my hand severely on the saw. The wound was painfully sore and feasted until I treated it with Zam-Buk. This grand herbal healer worked a complete cure. I know nothing to compare with Zam-Buk."

CHILDREN'S ECZEMA. Mr. W. D. Lowe, 38, Rand Street, Central Falls, U.S.A., writes:— "My children had dreadful eczema on the face and scalp. We paid out dollars to the doctors before we used Zam-Buk. The first application soothed away the itching irritation. Continued treatment banished every trace of disease."

TORN FINGER. Mrs. J. Randall, of Silver Stream, Sask., writes:— "My daughter tore the top of her finger in the washing machine. As we are eighteen miles from the doctor, I applied a dressing of Zam-Buk. The wound never caused the least trouble afterwards, and healed perfectly."

FESTERED TOE. D. J. Shaw, Belfast, P.O., P.E.I., writes:— "I had a nasty festered sore through a boot-heel piercing my foot. I tried different liniments, but the foot remained badly swollen and inflamed until I used Zam-Buk. This wonderful balm effected a speedy and complete cure."

An Open Letter to the Electorate

Ladies and gentlemen,—There are a number of men who voted for prohibition previously and who at the forthcoming plebiscite intend voting for government sale and control. Frankly, I am a prohibitionist, but if there is a better way, and it would seem that these gentlemen have found a better way, else they would not seek to change their vote, I also will vote that way if, like them, I can find it.

Gentlemen, you voted prohibition last time, why have you changed your minds? Is it that prohibition has hindered development? The statistics, not only of this province but elsewhere, do not seem to support that view. Is it that crime has increased? Our closed jails and our criminal records are not on your side.

And this also should be borne in mind that any legislation aimed at what is in the hidden hand? Do to restrict evil and promote better conditions, i.e. factory acts, child labor, etc., has always been heavily discredited by those who previously had profited by rotten conditions.

Who has tried to increase crime? Not those who hitherto had walked decently in the eyes of the world. Not many who have been convicted under this law were noted previously for their white wings.

Is it the mal-administration of justice where technicalities have defeated the spirit of the law? That has always been with us and always will be until our administrators prove worthy of the prominent position they hold.

Is it that the Prohibition law has not been enforced as you wanted it enforced? Surely you are more logical to blame the law when it has suffered from its non-enforcement. The blame rests upon weak mayors and police commissioners who are not concerned to enforce the law and policemen who are friendly to law breakers.

Is it that bootlegging has become prominent? There was no transgression until there was the law; but in voting for the alternative you fling open the door to bootlegging with a vengeance.

Is it that the Government Sale attracts you? Hardly that, for the governments which have tried it have given it up. You are being asked to take up a discredited and rejected thing which has been tried and proven a failure.

Is it that the alternative has the happy phrase, "Government Control"? Ah! that looks like a real prohibitory act after all—but what is this control? Do you know what it means? Has the Government told you? The Moderation League tried to tell the Government how they would interpret it and the consequence was they had to withdraw their little outline—but it is not dead, merely waiting a more auspicious moment. What control can the Government have to once more fill its present empty jails?

The Prohibition Party has all its cards on the table, gentlemen;

IDLE MATERIAL WILL BE SOLD

Millions of Dollars of Railway Material will go under the Hammer at Coquitlam

VANCOUVER, Oct. 8.—Thirty thousand tons of railway material worth millions of dollars ordered by the Russian Government which has been lying idle for five years in the Canadian Pacific yards at Coquitlam awaiting shipment from Vancouver will be sold to the highest bidder by the British Government, according to J. E. Francis, comptroller of the Disposals Board of the British war munitions, who is at present in Vancouver.

INCREASED POPULATION OF ALASKAN POINTS

JUNEAU, October 7.—Completing its work on Gastineau Channel, the Dynes Directory Company announces figures showing that there has been an increase of more than 17 per cent in the population of this vicinity since the Federal enumerators took the 1920 census last winter. The total population of Gastineau Channel towns as shown by the company's list of residents is 5,984.

Every community, with the sole exception of Treadwell, shows a substantial increase. The latter town shows a decrease of 25 persons. The population of the various towns is given by Mr. Dynes as follows:

Juneau (incomplete) . . . 3,765
Douglas (complete) . . . 960
Thane . . . 597
Perserverance . . . 362
Treadwell . . . 300
Total . . . 5,984

The population as announced by the Federal Census officials for the same towns was: Juneau, 3,126; Douglas, 919; Thane, 421; Perserverance, 321; Treadwell, 325; total, 5,112.

Both Fort William H. Seward and Haines on Lynn Canal show a similar increase in population. Mr. Dynes' representatives in these places have submitted lists showing an actual population of 292 for Haines and 219 for Fort William H. Seward.
