

SEVEN YEARS TORTURE

What Helped Him Until He Took "FRUIT-A-TIVES"

ALBERT VARNER
 Buckingham, Que., May 2nd, 1915.
 For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting, and had chronic constipation. I went to several doctors and wrote to a specialist in Boston but nothing did me good. Finally, a friend advised "Fruit-a-tives". I took the grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives", and to everyone who has mis-er-able health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-tives", and you will get well.

GUN CREWS WORK GUNS IN FRANCE HALF NAKED

"The uniform 'e wore was nothin' much before an' rather less than 'alf o' that be'ind."—So wrote Kipling of Gunga Din. It was equally true of the Canadian Artillery on the day the British launched their great offensive in the salient. The guns incessantly belched lead on the enemy lines with never a moment of rest for the crews. The war had entered another critical day.

Canada is in the midst of many critical days. All the resources of the Dominion, the Empire and the Allies are required if victory is to be secured. Not least of those resources is money. Every dollar that civilization possesses is required to defeat the Hun. Your dollars are needed. The National Service Board is appealing to you and to all the men and women of the country to save your money and invest it in War Savings Certificates.

The men at the front are fighting night and day for you. You can help them by saving and giving to the National Treasury. The way is clear before you. The Government has blazed a path for all. Can you do less than follow it?

COALITION IS A FORLORN HOPE

Ottawa, July 13.—Sir Robert Borden's efforts to induce at least two or three prominent Liberals to enter the Cabinet on the conscription issue have borne no fruit yet, and it is understood that he has now almost abandoned hope of strengthening his political position for the coming election by this medium. It is stated that nearly a dozen Liberals, both within and without Parliament, have been approached, either directly or through "mediators." The conditions are such, however, that no Liberal of any standing has consented to cast his lot with the Government as at present constituted, and any real coalition or non-party administration now is apparently a forlorn hope.

The arrival of Hartley Dewart, M. P. P., of Toronto, in Ottawa today, following the visit of Mr. N. W. Rowell last week, again revived gossip in Parliamentary circles in connection with the possible inclusion of one or other of these Ontario Liberals in Sir Robert Borden's prospective union government. As far as can be learned, however, there is no prospect of either Mr. Rowell or Mr. Dewart accepting office in the present Conservative Administration.

Pay Your Debt To Your Defenders

Turn Your Luxuries Into Comforts For Those Who Have Sacrificed Most.

"Self-sacrifice, self-denial and service lie at the basis of the highest personal and national development."
 Sir Thomas White,
 Minister of Finance.

Is it nothing to you that men from all round you have sacrificed home and salary, safety and life, to defend your home as well as their own?

Is it nothing to you that their wives and families tremblingly scan each casualty list, and pale at the step of the postman or telegraph messenger?

Can you see others giving their dearest, without feeling that you must do something yourself? Do you wonder what to do?

You can at least save—and lend your savings to the nation. Canada needs every dollar her loyal sons and daughters can spare, to meet the growing expenses of the struggle.

Every dollar you invest in Canadian War Savings Certificates helps the nation to deal generously with those who are defending you.

Certificates in denominations of \$25, \$50 and \$100, repayable in three years, may be purchased at any Bank or Money Order Post Office at \$21.50, \$43 and \$86 respectively. This means over 5% interest—making them a profitable as well as a patriotic investment.
