

NOTED MUSICIAN OF MONTREAL

Writes The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicine.

MR. ROSENBERG
589 Casgrain St., Montreal.
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I have suffered from these complaints for many years, and my sedentary occupation, Music, brought about a kind of intestinal Paralysis—with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well. I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". SEVERE FIGHTING IN EAST AFRICA

London, July 26.—German troops in German East Africa attempted to make a stand last week against the Allied forces which are gradually closing in on them. An official statement issued here today says heavy fighting took place, in which the Germans suffered large losses. The announcement follows:

"On July 17 the enemy evacuated Mount Shakama. A portion of his forces retreated southwest toward Likawage and the main body fell back on Narongombe. Throughout the 17th and 18th, four columns pressed the retreating enemy in a most difficult country, capturing a few prisoners and capturing a ridge two miles north of Narongombe by nightfall of the 18th. On the 19th the main enemy positions in the vicinity of Narongombe were attacked. Severe fighting ensued, the enemy offering most stubborn resistance and making numerous counter attacks, in the course of which, it is ascertained from the prisoners, he sustained heavy losses. Our casualties, also were considerable.

"In the Rufiji area the enemy evacuated Kitope, our columns having driven his rearguard toward Mebaba on the 21st."

MUST SACRIFICE ALL TO SECURE VICTORY

Ottawa, July 24.—At the conclusion of the meeting of the Liberals, the following resolution was adopted and given out for publication:

"1—That Canada's part in the war must continue to absorb the best energies of the country till a full and complete victory of the Allies is achieved. This view is especially dear to all Liberals who from time immemorial have fought for democracy against autocracy and for the national and self-governing rights of the small peoples. Canada's own safety is absolutely involved in such a fight.

"2—That we record our unbounded admiration of, and our undischargable debt to the 400,000 gallant Canadian soldiers and nurses who have offered and, in many cases, given their lives for the world's freedom.

"3—That we express our appreciation of the splendid patriotic gifts and service by which our children, have done their utmost to emulate the example of their sons and brothers in the trenches.

"4—That we endorse all necessary steps to secure the required number of men to fill the gaps in the Canadian ranks without delay, as anything short of this amounts to betrayal of the living and the dead.

Wealth Must Pay.

"5—That the organization of the man power of the country must be accompanied by an immediate alteration of our system of taxation to meet war time conditions which will ensure that those who do no fighting will pay, and pay in proportion to their ability as has been done in the motherland, in other British dominions, in the United States, and in other allied countries.

"6—That immediate steps be taken to eradicate profiteering, whether in food stuffs, munitions or other commodities."

Help Canada Maintain Her Financial Freedom!

Do Your Share towards Financing the War with Canadian Savings Rather than with Outside Capital.

THE problem of meeting the enormous cost of this war is two-fold. Not only must Canada get the money—most of it, of course, as loans—but she must get as much of it as possible here in Canada.

We can carry the war-debt if the bulk of the interest goes to Canadians, and so is used again in the country's development. But it will be a serious matter for us if a large proportion of the interest has to be sent outside the Dominion.

For the sake of our own and our children's future this drain on our resources must be avoided! Canada's financial freedom can and must be maintained! An average saving of 15 cents a day, invested by each man, woman and child in Canada in War Savings Certificates, would enable us to carry the whole cost of the war. To approach this average, hard work, thrift, self-denial and sacrifice are required of every citizen.

For each \$21.50 you lend the Government now, you will receive \$25.00 in three years—or you can get your money back at any time. Certificates are issued in denominations of \$25, \$50 and \$100, and may be purchased at any Bank or Money Order Post Office.
