**WESTHOLME THEATRE**

Tonight there will be displayed at the Westholme a very attractive programme. Charlie Chaplin will appear in a photoplay called "The Bank." This is one of the best of the great comedian's plays, and its laughter-producing qualities are immense. Charlie can always command full houses wherever he is shown. He is certainly a tonic against the grouch. The other attractive feature is Lou Tellegen. She is a well and favorably known actress and in "The Black Wolf" she rises to the occasion in her usual manner. A travelogue will also be shown, which makes a great eight-reel programme. Owing to the concert which has been arranged for the Theatre tomorrow night, the programme tonight is a double feature one, and is one of the most attractive ever shown in the city.

**THE CRITICS OF SIR WILFRID**

(Continued from Page two.)

because he has followed the example of the mother of parliaments? Because he has advocated the policy of Australia? We have always favored conscription, but without forgetting the caution exercised by Great Britain, or the insistence of Australia upon democratic methods, and the submission of a referendum. It is now understood that pending the results of a general election the Borden government will make no attempt at coercion. Could there be a more striking vindication of the position that Sir Wilfrid Laurier took when he insisted that the people of Canada should have a voice in determining on a policy of such serious moment to the Dominion? Sir Robert Borden and his followers as well as the Globe and Free Press have all along declared in favor of these views as exhibiting the only true statesmanship. They were eminently right a few weeks or months ago. Are they now eminently unwise and wrong?

**REV. FATHER BUNOZ IS NOW BISHOP OF YUKON AND PRINCE RUPERT**

It was announced this morning by the Rev. Father McGrath that a cablegram had been received stating the fact that the Rev. Father Bunoz had been made a Bishop. This cablegram was received direct from Rome, and the news it contained was received with joy by the members of the church here.

Ever since Father Bunoz has been brought into the Prefecture, it has been anticipated that further honor would be given him, and such has been the case. He has now been appointed Bishop of the Ecclesiastical District of Yukon and Prince Rupert by the Consistory at Rome. He has long been connected with Prince Rupert and this northern country, and no more fitting token of appreciation could have been bestowed upon any man than that which Father Bunoz has just received.

The Rev. Father left a short while ago to attend a celebration in Seattle, but is now very likely to be in Vancouver on his way back to Prince Rupert.

TENDERS will be received at the office of the District Engineer, Public Works Department, Prince Rupert, B. C., up to and including August 15th, 1917, for the purchase of the Government owned horse "FARMER."

The animal can be seen on H. Du Vernet's ranch, Kitwanga, B. C.
