

THE ONLY MEDICINE THAT HELPED HER

"Fruit-a-lives Again Proves Its Extraordinary Powers"

ROCHON, Que., March 2nd, 1915.
 "I have received the most wonderful benefit from taking 'Fruit-a-lives'. I suffered for years from Rheumatism and change of life, and I took every remedy obtainable without results. I tried 'Fruit-a-lives' and it was the only medicine that really did me good. Now I am entirely well—the Rheumatism has disappeared, and the terrible pains in my body are all gone. I hope that others, who suffer from such distressing diseases, will try 'Fruit-a-lives'. MADAME ISAIE ROCHON, 50c. a box, 6 for \$2.50, trial size, 25c. BARBECUE AT TELKWA ON LABOR DAY, SEPT. 3

There promises to be some busy and exciting time at Telkwa a week from today. A big gathering is looked for from all over the northern part of the province on the occasion of the Labor Day celebration there. No effort has been spared in the making of the arrangements for a day's enjoyment of the first class.

In order to feed the assembled multitude, they are going to roast an ox right on the field in the open air. They used to do this hundreds of years ago on the village greens in Merrie England. That was before the food restrictions came into force. Roast mutton and roast pork will lend variety to the fare, and lots of new baked bread and tea and coffee and libitum. There is always plenty to eat and drink at a barbecue.

The proceedings will start at ten o'clock in the morning with a stock sale. The sale will be by auction. Horses, cattle, sheep and pigs will be offered, and in fact, everything that the farmers and ranchers have to dispose of. Cattle are even being driven in from Terrace, about 140 miles away.

After the roast ox has been discussed, the Prince Rupert team and the Telkwa team will dispute for supremacy in baseball, and after that the horse racing starts, and will be continued for the balance of the afternoon. There will be great interest taken in this part of the programme. There will be classes for ponies, and races for the Indians. There is some good horseflesh in the interior country and keen interest will be shown in their performances. There will be other sports of various kinds and the celebration will end in the evening with a dance.

It is proposed to run a special train from Prince Rupert at specially cheap fares, leaving here at midnight on Saturday, and arriving back again at 7 a.m. on Tuesday. Sleeping cars will be attached so that every comfort consistent with railway travelling may be obtained. If you are going, better tell the G. T. P. ticket agent at once so that the Company may make arrangements to run two trains if necessary.

This is a fine opportunity to see what the interior country is like, and will be largely taken advantage of by the people of Prince Rupert.

The Daily News delivered by carrier, 50 cents per month.

TENDERS will be received at the office of the District Engineer, Public Works Department, Prince Rupert, B. C., up to and including August 10th, 1917, for the purchase of the Government owned horse "FARMER."

This horse is slightly lame on its right fore foot, otherwise it is sound, gentle and in good condition, and will make a serviceable farm horse.

The animal can be seen on H. Du Verney's ranch, Kitwanga, B. C.
 Dated at Prince Rupert, B. C., July 23rd, 1917. S. A. 4

TIMBER SALE X 942

Sealed tenders will be received by the Minister of Lands not later than noon on the 16th day of August, 1917, for the purchase of Licence X 942, to cut 1,225,000 feet of Spruce, Cedar, Hemlock and Balsam on an area situated on the west shore of Ellerslie Channel, Range 3, Coast District.

Two (2) years will be allowed for removal of timber.
