DEPARTMENT OF LANDS NOTICE

Re Overdue Payments on Applications to Purchase Crown Lands in British Columbia. NOTICE is hereby given that, under the provisions of the "Soldiers' Homestead Act," any person who did not apply under the "Soldiers' Homestead Act, 1916," to complete his application to purchase, either by payment in full or by the selection of a proportionate allotment, may, by proving his interest and paying up in full the balance of the purchase price and taxes before the 31st December, 1917, obtain a Crown Grant if proof satisfactory to the Minister of Lands is furnished that such person is suffering injury through absence of notice or otherwise. And further that the interest in un-completed applications to purchase held by any person on Active Service may be protected by notification to the Lands Department of the fact that such person is on Active Service and by the filing of proof of the interest of such person. Further information will be furnished on request to the Deputy Minister of Lands, Victoria, B. C. Publication of this notice without authority will not be paid for. Tu. Sep. 18.

WESTHOLME THEATRE

From the advance notices we bespeak a rare evening for the patrons of the Westholme this evening. The star actress, Marie Doro, will appear in a most pleasing modern comery-drama, Castles for Two. There will also be a Ham and Bud comedy in which the hero, Ham, does some great feats in exploring. The travelogue which will be shown is of a highly instructive and educational nature and depicts scenes of life in South America.

Mr. W. Maddock, local manager of the Booth Fisheries, Ltd., left this morning for Seattle, whither he has been called by his firm. Mr. Maddock, during his stay in Prince Rupert, has made for himself a host of friends, and he was one of the most popular and genial figures on the waterfront. What "Bill" didn't know about fish would be something strange. Mr. Maddock will take with him the best wishes of his friends here, whether he stays in Seattle or Chicago, or the Atlantic coast. Perhaps the thing which made Mr. Maddock so popular and well liked with the fishermen was the fact that he worked greatly for their interests and it might well be said that it was he who induced the American boats to land their fish here. He showed that by going together they could possibly get enough to make up a car and would thus get higher prices.

Mr. R. C. W. Lett, the tourist and colonization agent for the G. T. P., arrived from the east on his private car last night. Mr. Lett left this morning on the special train which is conveying the Premier and Ministers to the east.
