

When Women are Weak

Women who feel weak, languid and depressed—who look pale and dull-eyed, and have lost appetite and fresh looks—need a tonic that will purify the blood, help the organs of digestion, regulate the liver and bowels, and strengthen the system. It long has been known that

Beecham's Pills

are a blessing to weak women, for they quickly correct womanly ailments, improve the appetite, purify the blood and re-establish healthy conditions. They are safe to take as they are purely vegetable and without any harmful drug. A few doses will bring better spirits, improved health and a feeling of fitness.

CLEANSE THE LARGE INTESTINE

Present War Cry of Advanced Physicians.

Some of the leading surgeons of the world have come so far recently as to remove part of the Large Intestine in cases so serious as that of Tuberculosis and restored the patient to perfect health by so doing.

The New York American has recently said:

"During Constipation the poisons in the Large Intestine often become so great as to form a serious menace to health and even to life. Through the walls of the Intestine they enter the blood and consume the healthy blood cells, impoverishing the blood, and if this process is continued long enough an acute poisoning is produced."

It is impossible under our present-day mode of living for the Intestine to rid itself of all waste, and it is easily proven that there is an accumulation, no matter how regular we are.

Drugs, if taken regularly, form a habit, but Internal Bathing by means of the "J. B. L. Cascade" cleanses the Lower Intestine its entire length with pure warm water and makes it clean, sweet and healthy.

At the same time it regulates the system and makes one feel that every function is working smoothly and naturally—and, indeed, this is so.

This letter will convey a message of good cheer to many:

Dr. Chas. A. Tyrrell,

163 College Street, Toronto, Ont.:

Dear Sir,—We heartily endorse the J. B. L. Cascade, as we find in our work that a loaded colon means a poisoned system, which, in turn, means ligamentous contraction of the spinal muscles, against which our work is directed.

Anything helping us in gaining relaxation we consider a boon, both to ourselves and our patients.

Most sincerely,

Drs. Hoxley and Garland.

Over five hundred thousand are now enthusiastic users of the "J. B. L. Cascade," which is now being shown and explained at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th St., Prince Rupert.

Ask or write now, while you think of it, to Chas. A. Tyrrell, M.L., 163 College Street, Toronto, for free and interesting booklet, "Why Man of Today is Only 50 Per Cent. Efficient."

Mrs. John Oliver, wife of the Minister of Agriculture; Mrs. A. M. Manson, Mrs. M. P. McCaffery and Mr. and Mrs. F. H. Mobley arrived back again in town last night from Prince George, whither they had accompanied the ministerial party as the guests of the Grand Trunk Pacific Railway Co. The Hon. John Oliver, accompanied by Mr. A. M. Manson, M. P. P. for Omineca, left the party at Burns Lake and made a trip through the Ootsa and Francois Lake country. They will probably arrive back again in the city tomorrow. Premier Brewster, accompanied by the Hon. T. D. Pattullo, Minister of Lands; Dean Klinek, of the Faculty of Agriculture of the University of British Columbia, and Mr. J. S. Umbach, the Surveyor-General, proceeded north from Fort George, by river boat into the Peace River country, and will come out via Edmonton.
