IMPORTANT FINDS IN ALICE ARM DISTRICT

Alderman Casey has returned to town from the Alice Arm district, where he has been engaged for several weeks past in the preliminary development work of his claims there. He is enthusiastic regarding the possibilities of this country. During his work on his claims there, he found another ledge six feet wide, carrying high grade values. He reports several tain. Higher up, Messrs. Morley, Colbach and McPhail have come THE HON JOHN OLIVER across a big body of ore running from 150 to 200 ounces in silver to the ton. They have run a crosscut for 100 feet and have not en-

HUN METHODS EXPOSED BY WASHINGTON

United States Will Likely Break With Sweden, and Argentine May Declare War as Result of News.

(Special to The Daily News.)

Washington, Sept. 10 .- Another exposure of a startling nature was made by the Government on Saturday. It has got unquestionable proof that the Swedish Legation in the Argentine has been acting as a secret means of communication between Germans in Buenos Ayres and Berlin. It has ish Government messages.

United States Government will break off all negotiations with Sweden and that Argentine will join into the war with the Allies directly against the Huns.
