

SEVEN YEARS TORTURE

Nothing Helped Him Until He Took "FRUIT-A-TIVES"

ALBERT VARNER

Buckingham, Que., May 3rd, 1915.
For seven years, I suffered terribly from Severe Headaches and Indigestion. I had belching gas from the stomach, bitter stuff would come up into my mouth after eating, while at times I had nausea and vomiting, and had chronic Constipation. I went to several doctors and wrote to a specialist in Boston but without benefit. I tried many remedies but nothing did me good. Finally, a friend advised "Fruit-a-tives". I took this grand fruit medicine and it made me well. I am grateful to "Fruit-a-tives", and to everyone who has miserable health with Constipation and Indigestion and Bad Stomach, I say take "Fruit-a-tives", and you will get well".

TAMMANY FIGHTING FOR ITS EXISTENCE

New York, Sept. 5.—A real, old-fashioned humdrum campaign with everybody opposed to Tammany Hall, that ancient bulwark of municipal privilege, taking a slam at it, and new issues in the shape of peace propaganda, are confronting New York City this fall in its quadrennial upheaval to elect a mayor and other government officials.

In fact, the campaign is already on, for the primary laws prevail for the first time this year in a city election, and to get "set" for primary day, September 19, all parties have put their tickets in the field and the slambang has begun.

Reduced to its least common multiple, the main issue is between Tammany and anti-Tammany forces. For eight long, hungry years Tammany has been away from the public treasury and the reform element, termed fusionists because of the coalition of Republicans and Independent Democrats, has pretty thoroughly dug itself in.

Tammany is really in a desperate situation, for another four years on the outside will go far toward putting it permanently out of business as a practical factor in municipal affairs.

Therefore Tammany is fighting to come back.

William R. Hearst will not be a candidate for mayor of New York at the coming election. His refusal to allow his name to appear on the ballot at the coming primaries was filed with the board of elections today, the last day under the law for taking this action. Mr. Hearst had been designated by petition for the nomination of the Democratic ticket.

The LUX Bath

To-night—sprinkle 2 or 3 spoonfuls of LUX into the bath water. Stir it about. What happens? The LUX flakes dissolve instantly, making the water as soft as that from the old time "cistern" or rain-barrel on the farm—do you remember?

Soft as Summer Rain

Becomes the water into which you have stirred a few LUX flakes—pure essence of soap. An exquisite, soothing and refreshing quality is given the bath, or shampoo, and what's more, no further soap will be needed.

LUX

It's the modern, quick way of using soap—and it's by far the best way for the bath. Use soap in the ordinary way and you rub or force some of it into the pores. Now, the little silken LUX wafers dissolve so completely that not a trace remains to clog the skin—yet it is thoroughly cleansed and toned.

There's a new bath luxury waiting for you in LUX. Try it.
