BE CLEAN INTERNALLY

Over 500,000 People Are Now
Doing So.

For many years physicians have agreed
that 95 per cent. of human ills was caused
by accumulated waste in the Lower Intes-
tine; that in our present way of living
Nature could not remove all this waste
without assistance, no matter how regular
we might be; and that the poisons from
this waste circulated through the blood
pulled us away down below par and were
responsible for many diseases of a serious
nature.

During this time the "J. B. L. Cascade"
for Internal Bathing has, because of their
recommendation and those of its users,
been steadily growing in favor.

Recently, however, the startling news,
which has been covering the country that
great surgeons and specialists have been
operating on the Lower Intestine in such
serious diseases as Tuberculosis, and at-
tribute such conditions of chronic ill-
health as Nervous Debility and Rheuma-
tism to this cause, also saying that these
poisons are favorable to the development
of Cancer and Tuberculosis (as stated in
a recent article in The New York Times),
has caused people to become thoroughly
awake to the importance of keeping this
Lower Intestine free from all poisonous
waste matter, and over 500,000 are now
using Internal Baths.

This enthusiastic and grateful letter is
by no means an exceptional one amongst
the hundreds on our file:—
703 7th Ave. South, Lethbridge, Alberta.
Dr. Tyrrell, Toronto:

"Dear Doctor Tyrrell,—After using your
"J. B. L. Cascade" for four months, I feel
it my duty as a thankful patient to ex-
press my enthusiasm for the great bless-
ing it has been to me. You cannot feel my
emotions as I write this letter in praise
of you in your great work. Words sim-
ply fail to express my thankfulness for
first learning of your Cascade. Previous
to using it I could not go a day without
a drug of some sort, and since using it I
have not, on my word of honor, swallowed
five cents' worth of drugs. I spent over
\$300.00 in the two years previous to hear-
ing of the "J. B. L." Would that all the
young men and women I see in this town
with their faces covered with horrid, un-
sightly pimples would use it. They would
soon get rid of them, as I did. I must
stop, or I will be keeping you from your
work, but I could fill ten more pages of
my past condition of health, also in praise
of the "J. B. L." May you enjoy this life
to the full.

Sincerely yours,

William Devoy.

If you try the "J. B. L. Cascade" you
will find yourself always bright, con-
fident and capable—the poisonous waste
makes us bilious, blue, dull and nervous.
Internal Baths are Nature's own cure for
Constipation—just warm water properly
applied. Drugs force Nature—the "J. B. L.
Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug
Store, Cor. 3rd Avenue and 6th St., Prince
Rupert.

Ask for "Why Man of Today is Only 50
Per Cent. Efficient," a booklet of great in-
terest, which is given on request. If you

book.

The Grand Trunk Pacific Railway Co.
hereby gives notice that it has, under
Section 7 of the said Act, deposited with
the Minister of Public Works at Ottawa,
and in the office of the District Registrar
of the Land Registry Office, District of
Prince Rupert, at Prince Rupert, a de-
scription of the site and plan of wharf and
plant proposed to be built in Prince Rup-
ert Harbor, at Prince Rupert, British Col-
umbia, in front of Waterfront Block "G."
AND TAKE NOTICE that after the ex-
piration of one month from the date of
the first publication of this notice, the
Grand Trunk Pacific Railway Company will,
under Section 7 of the said Act, apply to
the Minister of Public Works at his office
in the City of Ottawa for approval of the

DR. G. B. GORDON WILL LECTURE ON MONDAY

Dr. G. B. Gordon, of the Uni-
versity of Pennsylvania, will give
an address on Monday evening in
the Presbyterian Hall. Dr. Gordon
has come west to visit his brother
Mr. J. K. Gordon, the deservedly
popular hotel owner at Terrace,
and the subject of his address
will be "Canada's Duty to the
Empire." Those who have al-
ready heard Dr. Gordon speak,
when they were in Terrace re-
cently will realize what is in store
for Monday evening, when the Dr.
comes here.

His qualifications as a lecturer
will ensure him a large audience,
and his subject is one in which
all are interested. Another brother,
Lieut. Maclaren Gordon, was
with the 102nd at the Somme,
where he was killed last spring.
"Mac" was equally well known
and well liked, and was very pop-
ular both here and at the front
with his men.

On the night before his death his
efforts were responsible prac-
tically for saving his whole com-
pany, and for which he would
have been recommended for the
Military Cross had he lived. He
spent his last night in the
trenches with Dr. McNeill, who
speaks very highly of Lieut. Gor-
don.

Dr. McNeill will occupy the
chair at Monday's lecture which
will be something well worth go-
ing to hear.
