## WESTHOLME THEATRE

Until one witnesses the presentation of "Little Miss Nobody" at the Westholme Theatre tonight, no idea can be formed of how much excitement may attend life in the backwoods of Northern New York. Violet Mercereau will present the role of a little girl raised among the lumbermen, knowing little of life beside hard work and lots of it, until one day there comes a "city chap" to brighten her life and open new hopes for her state of future happiness. The results attendant upon her progress from poverty to affluence are fraught with sensations, stirring events and excitement providing just that sort of diversified entertainment that best pleases a majority of "fans." Its a Bluebird and that means all that's best in photoplays.

There will be no sale of home-cooking for the Red Cross Society on Friday this week on account of the Fair. The Red Cross Society will have charge of the tea rooms in the Exhibition Building and any contributions of home-cooking will be gladly received there.

Mr. Dave Thomson was among the passengers arriving in the city this morning from the south by the Prince George. He has been in the southern cities for the past few weeks on business.

You are certain of better pictures at less cost when your Kodak work is entrusted to McRae Bros.
