NOTED MUSICIAN OF MONTREAL

Advises The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicine.

MR. ROSENBURG
589 Casgrain St., Montreal.
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for *Constipation and Indigestion* as "Fruit-a-tives". I was a sufferer from these complaints for five years, and my sedentary occupation, Music, brought about a kind of Intestinal Paralysis—with *nasty Headaches*, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try "Fruit-a-tives", and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, *to try "Fruit-a-tives"*, and you will be agreeably surprised at the great benefit you will receive". A. ROSENBURG.

50c. a box, 6 for $2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

MOBILIZATION OF CONSCRIPT ARMY

Victoria, Sept. 20.—The location of eleven centres in British Columbia, where troops are to be mobilized following the enforcement of the Military Service Act are announced.

The list comprises Fernie, Fort George, Grand Forks, Hazelton, Kamloops, Nanaimo, Nelson, New Westminster, Prince Rupert, Revelstoke and Vernon. At all these places will be established exemption tribunals, and men called up for service in the surrounding localities will report at a central station in each town.

Those who are declared eligible for the draft armies will be congregated together and, under the supervision of a military officer, delegated from Victoria headquarters, will be given transportation to either of the two big training centres — Victoria or Vancouver. Those of the eleven centres that are to supply drafts for Victoria, and likewise those for Vancouver, will later be designated.

While New Westminster may eventually be classed as a training centre in conjunction with Victoria and Vancouver, for present purposes it is included in the list of mobilization points. It will hold that position until the facilities for handling soldiers at either of the two bigger cities become overtaxed. It is believed at headquarters that the men taken by the first draft in this province will not number more than 7,000 at the outside, in which case they will be allocated as follows:

Victoria and Vancouver, 2,500 each; New Westminster, 2,000. It is improbable, however, that any will go to New Westminster until they are at least 2000 men quartered in each of the other cities, as it is the plan of Major-General R. G. E. Leckie to concentrate training and administration in an effort to secure maximum efficiency, and as economically as possible. Centralization of authority and training will be the watchword of the British Columbia military organization during the enforcement of compulsory service.

WATER NOTICE
USE AND STORAGE.

TAKE NOTICE that The Empire Pulp & Paper Mills, Ltd., whose address is Vancouver, B. C., will apply for a license to take and use all the water and to store 10,000 acre feet of water out of unnamed lake, also known as Whalen Lake, which flows and drains into Whale Channel about one mile north from Rivers Bight.

The storage dam will be located at west end of Lake at outlet of lake. The capacity of reservoir to be created is about 10,000 acre feet and it will flood about 2,000 acres of land. The water will be diverted from the stream at a point about....Taken by tunnel from east end of Lake three miles northerly direction from Lot 29, Butedale, on Fraser Reach and will be used for power purposes upon the land described as in application to lease at east end of Lake on Fraser Reach.

This notice was posted on the ground on the 5th day of June, 1917. A copy of this notice and an application pursuant thereto and to the Water Act, 1914, will be filed in the office of the Water Recorder at Prince Rupert, B. C. Objections to the application may be filed with the said water recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is July 10th, 1917.

95 % of Illness Due to One Cause

Physicians agree that 95 per cent. of all illness is possible only because of accumulated waste in the Colon (Lower Intestine).

In fact, the most eminent of the World's Specialists claim that if the Colon were always kept clean the average life of humanity would be doubled.

There is now a new and simple method of cleaning the Colon of this poisonous waste, and keeping it clean, pure and healthy. Of curing Constipation and the depressing bilious attacks which make us dull, blue and inert—without any spirit of ambition.

That method is Internal Bathing with warm water, administered by the "J. B. L. Cascade," aptly termed "Nature's Cure.

Over 500,000 people are now enthusiastically using this modern warm water cure, and physicians are prescribing it everywhere. It is making sick folks well and well folks better, stronger, more ambitious, energetic and confidential.

This letter from Mr. A. Maclean of Conger Lumber Co., Parry Sound, Ont., a sufferer for 35 years from Constipation, is very valuable.

Parry Sound, Ont.

Dr. Chas. A. Tyrrell, Toronto.:

Dear Doctor,—I have used the J. B. L. Cascade since I received it 21 days ago with wonderful results. Before I started this treatment I could not pass one day without taking medicines; since have not taken one dose, and feel so much better in every way.

I have been troubled with Constipation for the past 35 or 40 years, and of course at my age cannot expect a speedy cure, as I am now in my 78th year, but the relief it has already given me is a promise of the good it will do for me.

I think a good many orders will come from Parry Sound as the treatment becomes known.

I cannot speak too highly of the Cascade treatment, and will surely talk much about it.

Yours gratefully,
A. Maclean.

The "J. B. L. Cascade" is now being explained and shown at Cyril H. Ormie's Drug Store, cor. 3rd Avenue and 6th Street, Prince Rupert, and they will be glad to explain its action and uses to you in detail.

If you cannot call, you should write today to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for booklet, "Why Man of Today is Only 50 Per Cent. Efficient."

WATER NOTICE
Diversion and Use).

TAKE NOTICE that R. K. Neill, whose address is Stewart, B. C., will apply for a license to take and use seventy cubic feet of water out of North and East Forks of Cascade Creek, which flows southerly into Salmon River, Cassiar District, B. C. The water will be diverted from the streams at points about two thousand feet above the forks. This notice was posted on the ground on the sixth day of August, 1917. A copy of this notice and an application pursuant thereto and to the Water Act, 1914, will be filed in the office of the Water Recorder at Prince Rupert, B. C. Objections to the application may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is August 14, 1917. S.14
