

NOTED MUSICIAN OF MONTREAL

Advises The Use Of "FRUIT-A-TIVES",
The Famous Fruit Medicine.

MR. ROSENBERG
689 Casgrain St., Montreal.
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was suffering from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis—with nasty headaches, belching gas, drowsiness after eating, and pain in the back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.

presumably loyal male citizens for the sole reason that they are of foreign birth. The clauses which exclude naturalized aliens of fifteen years standing as British subjects is not only a direct assault on our free institutions, but also a gross breach of faith.

These men came to this country under the promise that they would have rights here which were denied them in their native land—and the chief right of all was the right to vote, to exercise a citizen's duty in electing a responsible government. Another thing, these men came to Canada for, was to escape the curse of war which has hung over Europe for centuries. They thought that Canada, guarded on three sides by the inviolable sea, and on the fourth by the greatest democracy in the world, would be free of it. Moreover, they did us the compliment to choose Canada in preference to the better advertised virtues of the United States, because no doubt they considered British institutions more stable than the American ones, and life and property safer under the Union Jack than under the Star Spangled Banner.

All these years they have been law abiding citizens of the country which they sought as a refuge. Their views on war did not change when they changed their skies. The hate and fear of it was in their blood, put there by the horrors of a thousand years. And now because they still hate war, their constitutional rights are to be taken away. On the pretext that they are not to be trusted, they are deprived of their votes but are still allowed to pay the taxes which make the continuation of the war possible.

That they are disloyal, because they are not keen on war, is not a final statement. Many of their sons have enlisted and are fighting for freedom, Canada and the British Empire. There are many Galicians in the ranks. Many Canadian citizens with German names offered, and many were refused. Many who succeeded in enlisting were sent back when they got to England. The enemy-aliens, so-called, were at least as eager to do their duty as the native-born Canadians.

It is a safe guess that any enemy-alien who is bad enough not to be allowed to vote is bad enough to be interned. Nobody would object to a Franchise Act which would exclude interned aliens or such as refuse to take the oath of allegiance when asked. To go further than that is to trespass on our charter of freedom. Uncle Sam, who has had experience with all sorts of aliens for a hundred and forty years back, has never dealt with them by taking away their votes. His belief is that the cure for democracy is more democracy, but the Borden Government thinks the other way about. Its idea of rule is the horsewhip.

After the war is over Uncle Sam will be able to say, "I took away nobody's vote." Canada will have to say, "I did, but it was because Sir Robert Borden wanted to win an election." The new friend from Europe, hesitating

between Canada and the United States will say, "Me for the United States where my vote is safe."

The War Time Election Act is fraught with apprehensions for the immigrant from Europe. He will naturally say, "If they take away my vote, they may take away my property next." And indeed, what's to prevent? A Government that will do the one would hardly stick at the other.—H. F. Gadsby.

95% of Illness Due to One Cause

Physicians agree that 95 per cent of all illness is possible only because of accumulated waste in the Colon (Lower Intestine). In fact, the most eminent of the World's Specialists claim that if the Colon were always kept clean the average life of humanity would be doubled.

There is now a new and simple method of cleaning the Colon of this poisonous waste, and keeping it clean, pure and healthy. Of curing Constipation and the depressing bilious attacks which make us dull, blue and inert—without any spirit of ambition.

That method is Internal Bathing with warm water, administered by the "J. B. L. Cascade" apply termed "Nature's Cure." Over 500,000 people are now enthusiastically using this modern warm water cure, and physicians are prescribing it everywhere. It is making sick folks well, and well folks better, stronger, more ambitious, energetic and confident.

This letter from Mr. A. Maclean of Conger Lumber Co., Parry Sound, Ont., a sufferer for 35 years from Constipation, is very valuable.

Parry Sound, Ont.

Dr. Chas. A. Tyrrell, Toronto:

Dear Doctor:—I have used the J. B. L. Cascade since I received it 21 days ago with wonderful results. Before I started with this treatment I could not pass one day without taking medicine; since have not taken one dose, and feel so much better in every way.

I have been troubled with Constipation for the past 35 or 40 years, and of course at my age cannot expect a speedy cure, as I am now in my 75th year, but the relief it has already given me is a promise of the good it will do for me.

I think a good many orders will come from Parry Sound as the treatment becomes known.

I cannot speak too highly of the Cascade treatment, and will surely talk much about it.

Yours gratefully,

A. Maclean.

The "J. B. L. Cascade" is now being explained and shown at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th Street, Prince Rupert, and they will be glad to explain its action and uses to you in detail.

If you cannot call, you should write to-day to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for booklet, "Why Man of Today is Only 50 Per Cent Efficient."
