THE GOVERNMENT AND THE ELECTIONS

(Continued from Page Three)

vote but excludes Canadian women who haven't the soldier relations necessary to give them a look in.

Lately some of the provinces have given women the vote on the same terms as men. Other provinces have gone in for a more restricted franchise for women. In some provinces the women voters are already on the list and have voted in elections. In other provinces, notably Ontario, they have been given the vote but are not yet on the lists and are consequently not available for the next election. Under these circumstances most fair minded people would say "If you must have a Franchise Act of your own which will bring the suffrage up to date, give everybody a vote, men and women alike, and let it go at that."

But this does not suit the Borden Government's book. It is taking no chances with women who might vote the way their Liberal husbands or brothers or fathers, or sweethearts, tell them, not to mention the other women who might vote against the Borden Government on its record of graft and its alliance with the high cost of living in the shape of Sir Joseph Flavelle and others of his kindred. The plain truth is that the Borden Government's Franchise Act disfranchises thousands more women than it enfranchises, but that will not prevent the vote-stealers from making a big holler about enlarging the boundaries of freedom and taking another stride along the road of equal rights. Listen to the mocking bird!—H. F. Gadsby.

Give each of Your Children a War Savings Certificate.

LET them feel that they are Canada's partners—that they have each a definite share in the stern struggle—the certain victory—and the free and glorious future.

Encourage them to save and buy Certificates themselves! You'll be developing their patriotism, their thrift and their business sense—for Canadian War Savings Certificates offer absolute security and excellent interest return. More important still, you will be guaranteeing their future, for every dollar lent to Canada helps win the war.

For each \$21.50, \$43 or \$86 lent now, the Government issues a Certificate, payable in three years, for \$25, \$50 or \$100. This means that interest is added at over 5% per annum. Certificates may be purchased at any Bank or Money Order Post Office.

For the sake of Canada and your children, save and invest in War Savings Certificates.
