## Felt Wretched Until He Started To Take "Fruit-a-lives"

204 CHAMPLAIN ST., MONTREAL.

"For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-lives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-lives" is the only medicine that helped me." LOUIS LARRIE.

### CONTROL SUGAR PRICES

Washington, Oct. 2.—Plans for an international control of sugar prices and distribution were announced tonight by the food administration. The aim is to stabilize trade through an international sugar committee which will arrange for refiners' prices in the West Indies and in the American insular possessions.

"This co-operative buying between the refiners and those purchasing raw supplies for England, France, Italy and Canada, with the resultant elimination of competitive buying," said the announcement, "is expected to save consumers many millions of dollars and to prevent the rapid fluctuations of prices that we have seen since the outbreak of the European war."

You would enjoy your bath twice as much if you could get water as soft as summer rain—the kind they used to have in the old-fashioned cistern or rain-barrel. There is a better way now, to get the same result, with any water, and that is to use

You sprinkle in a few spoonfuls of these dainty, transparent little flakes of the purest soap, and stir them about. Instantly they dissolve, imparting their satiny softness to the water. Be sure to have a LUX shampoo, too—it makes the hair silken and healthful.

### New Dangers of Constipation

A recent issue of The New York Times says—

"Recent researches of Prof. Metchnikoff and others have led doctors to suppose that many conditions of chronic ill-health, nervous debility, rheumatism and other factors are due to poisoning set up by wastes in the large intestine, and it has been suggested that the lowering of the vitality resulting from such poisoning is favorable to the development of cancer and tuberculosis."

"St. Mary's Hospital Sir William Arbuthnot Lane decided on the heroic plan of removing the diseased organ. A child who appeared in the final stage of what was believed to be an incurable form of tubercular joint disease was operated on. The lower intestine, with the exception of nine inches, was removed, and the portion left was joined to the smaller intestine.

"The result was astonishing. In a week's time the internal organs resumed all their normal functions, and in a few weeks the patient was apparently in perfect health."

The Lower Intestine can never get into this condition if Internal Baths are used. The "J. B. L. Cascade" cleanses the Lower Intestine its entire length thoroughly with pure warm water, and removes all this poisonous waste, which is such a menace to health.

This is a sample only of many hundreds of letters we have in our files:  
Dept. Public Works,  
Ottawa, Ont., Jan. 31, 1916.  
Dear Sir:—

Words, I can assure you, quite fail me to express my satisfaction and gratefulness to you for inventing such a humane and common-sense remedy for stomach troubles as the "J. B. L. Cascade." For the past 15 years I have suffered from such, and have never had the permanent relief from medicines as I have had from your "Cascade." I consider it the best investment I have ever made, and would not be without it for one hundred times its cost. I consider that those who are inclined as I was are making the mistake of their lives to be without one of your Cascades.

Wishing you every success in your efforts for suffering humanity.

I am, dear Sir, yours truly,  
"Grateful."  
P.S.—Name and address will be furnished if requested.

It is Nature's own cure for Constipation, and is now being used by over 500,000 Canadians and Americans with great success.

The "J. B. L. Cascade" is now being shown and explained at Cyril H. Orme's Drug Store, cor. 3rd Avenue and 6th St., booklet, called "Why Man of Today is Only 50 Per Cent. Efficient," is given on request. If you prefer, write today for this booklet to Chas. A. Tyrrell, M. D., 163 College Street, Toronto.

## These Men Will Help You Decide

Are you liable to be selected for service under the Military Service Act?

The answer to this question is being made readily available for you. Remember that the first class to be called includes only men between the ages of 20 and 34, both inclusive, who are unmarried or widowers without children, those married after July 6, 1917, being deemed single for the purposes of the Act.

Medical Boards are now being established throughout Canada. These Boards will examine, free of charge and obligation, all men who wish to be examined as to their physical fitness for military service. They will tell you in a very short time whether your physical condition absolves you from the call or makes you liable for selection.

It is important that you obtain this information as soon as possible. A certificate of unfitness from a Medical Board will secure for you freedom from responsibility under the Military Service Act from any Exemption Tribunal. A certificate of fitness will not preclude an appeal for exemption on any ground.

In order that you may be able to plan your future with certainty, visit a Medical Board as soon as possible and find out if you are liable to be selected. Your family and your employer are interested as well as yourself.

Issued by  
**The Military Service Council.**
