BUYING DIRECT FROM THE PRODUCER.—"Pa, this lady says she can get these milk-fed squashes from Bunkim & Trimen, the city grocers for 25c apiece. Ya better get 'em on the long distance and ask 'em what they mean by cutting prices."—From the New York World.

A FEW THOUGHTS ON THE HIGH COST OF LIVING

(Continued from Page two.

This probably explains how the Davies Company made two hundred and fifty per cent profit during one year of the Boer war. The bacon had a number of oceans to cross and doubtless Sir Joseph, in some disguise or other, was waiting at all the strategic spots where another profit might be expected to happen. Incidentally there is a rumor afloat that the bacon Sir Joseph sold to the British army in South Africa was bad, and that a lot of it was condemned. If the Commission had full powers it might inquire into that. —H. F. Gadsby.

These Men Will Help You Decide

Are you liable to be selected for service under the Military Service Act?

The answer to this question is being made readily available for you. Remember that the first class to be called includes only men between the ages of 20 and 34, both inclusive, who are unmarried or widowers without children, those married after July 6, 1917, being deemed single for the purposes of the Act.

Medical Boards are now being established throughout Canada. These Boards will examine, free of charge and obligation, all men who wish to be examined as to their physical fitness for military service. They will tell you in a very short time whether your physical condition absolves you from the call or makes you liable for selection.

It is important that you obtain this information as soon as possible. A certificate of unfitness from a Medical Board will secure for you freedom from responsibility under the Military Service Act from any Exemption Tribunal. A certificate of fitness will not preclude an appeal for exemption on any ground.

In order that you may be able to plan your future with certainty, visit a Medical Board as soon as possible and find out if you are liable to be selected. Your family and your employer are interested as well as yourself.
