

## TWO LONG YEARS HE SUFFERED

"Fruit-a-tives" Made Him Feel  
As If Walking On Air

OTTAWA, Ont., Nov. 28th, 1914.  
"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read 'Fruit-a-tives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."

should be called for the supplying of fifty tons of coal, to be taken delivery of by the city's teams, and that a suitable shed be built on the vacant ground adjoining the city hall for the storage thereof. This was adopted.

#### Tax Sale.

Then the finance committee submitted their report on the tax sale, which realized \$22,258.66. It was recommended that the amount be invested in the sinking fund. The collection of the 1917 taxes was reported to be in good shape. Ald. Casey asked if the council had any definite policy regarding the purchase of lots by the city at these tax sales, when it was explained that the matter would have to be decided before the end of 1918.

Tenders being opened for the supply of the collectors tax roll, McRae Bros. Ltd., tendering for \$40, and K. L. Raak for \$45.50, the matter was referred back to the finance committee, and the council adjourned.

### ELECTION MAY BE ON DEC. 17.

Ottawa, Oct. 13.—Whether or not the voting in the Dominion election will take place on Monday, December 17, depends largely upon the date upon which it is possible to complete the appointment of the returning officers for the various constituencies. The writs cannot be issued until the returning officers are named. As seven weeks must elapse between the issuance of the writs and the voting, they will have to be sent out within a short time if the voting is to take place before the Christmas holidays. It is generally conceded that a January election would not be desirable. In the event of it being decided that the writs cannot be issued in time for a December election, it is quite possible that the voting will not take place until late in February or early in March.

Recommendations for the appointment of returning officers are now being received and dealt with as quickly as possible, and every effort will be made by the officials to have the voting fixed for December. Other arrangements are being rushed. The ballots to be used in Canada have been printed and arrangements already have been made for the printing of the ballots to be used overseas. The printing of the soldiers' ballots across the Atlantic will insure their safety and mean an avoidance of serious complications which would result from their loss en route to England were they to be printed in Canada.

CANADA

**GEORGE the FIFTH**, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in any-wise concern—GREETING:

A Proclamation calling out the men comprised in Class 1 as described by the Military Service Act, 1917.

*E. H. Ross*

The Deputy Minister of  
Justice, Canada

the defence thereof, at any time when it appears advisable so to do by reason of emergency;

**And Whereas** that part of our militia of Canada known as the Canadian Expeditionary Force is now engaged in active service overseas for the defence and security of Canada, the preservation of our Empire and of human liberty; and it is necessary owing to the emergencies of the war to provide re-enforcements for our said Expeditionary Force in addition to those whose inclination or circumstances have permitted them to volunteer;

**And Whereas** by reason of the large number of men who have already left agricultural and industrial pursuits in our Dominion of Canada in order to join our Expeditionary Force as volunteers, and by reason of the necessity of maintaining under these conditions the productivity or output of agriculture and industry in our said Dominion, we have determined by and with the advice and consent of our Senate and House of Commons of Canada that it is expedient to secure the men so required, not by ballot as provided by our said Militia Act, but by selective draft; such re-enforcement, under the provisions of the Military Service Act, 1917, hereinafter referred to, not to exceed one hundred thousand men;

**And Whereas** it is accordingly enacted in and by the provisions of an Act of our Parliament of Canada, holden in the 7th and 8th years of our reign, and known as the Military Service Act, 1917, that every one of our male subjects who comes within one of the classes described and intended by the said Act shall be liable to be called out on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada; and that his service shall be for the duration of the present war and demobilization after the conclusion of the war;

**And Whereas** the men who are under the provisions of the said last mentioned Act, liable to be called out, are comprised in six classes of which Class 1 is, by the provisions of the said Act, defined to consist of all our male subjects, ordinarily, or at any time since the 4th day of August, 1914, resident in Canada, who have attained the age of twenty years, who were born not earlier than the year 1883, and were on the 6th day of July, 1917, unmarried, or are widowers but have no child, and who are not within any of the following enumerated

#### EXCEPTIONS:—

1. Members of our regular, or reserve, or auxiliary forces, as defined by our Army Act.
2. Members of our military forces raised by the Governments of any of our other dominions or by our Government of India.
3. Men serving in our Royal Navy, or in our Royal Marines, or in our Naval Service of Canada, and members of our Canadian Expeditionary Force.
4. Men who have since August 4th, 1914, served in our Military or Naval Forces, or in those of our allies, in any theatre of actual war, and have been honourably discharged therefrom.
5. Clergy, including members of any recognized order of an exclusively religious character, and ministers of all religious denominations existing in Canada at the date of the passing of our said Military Service Act.
6. Those persons exempted from military service by Order in Council of August 13th, 1873, and by Order in Council of December 6th, 1898;

**And Whereas** it is moreover provided by our said Military Service Act that our Governor-General of Canada in Council may from time to time by proclamation call out on active service as aforesaid any class of men in the said Act described, and that all men within the class so called out shall, from the date of such proclamation, be deemed to be soldiers enlisted in the military service of Canada and subject to military law, save as in the said Act otherwise provided; and that the men so called out shall report and shall be placed on active service in the Canadian Expeditionary Force as may be set out in such proclamation or in regulations; but that they shall, until so placed on active service, be deemed to be on leave of absence without pay;

**And Whereas** it is also provided by the said Act that at any time before a date to be fixed by proclamation an application may be made, by or in respect of any man in the class to be called out, to one of our local tribunals, established in the manner provided by the said Act in the province in which such man ordinarily resides, for a certificate of exemption from service upon any of the following

#### GROUND OF EXEMPTION:—

- (a) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he is habitually engaged;
- (b) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications;
- (c) That it is expedient in the national interest that, instead of being employed in military service, he should continue to be educated or trained for any work for which he is then being educated or trained;
- (d) That serious hardship would ensue, if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position;
- (e) Ill health or infirmity;
- (f) That he conscientiously objects to the undertaking of combatant service and is prohibited from so doing by the tenets and articles of faith, in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he in good faith belongs;

And that if any of the grounds of such application be established, a certificate of exemption shall be granted to such man.

**And Whereas** moreover it is enacted in and by the provisions of an Act of our Parliament of Canada holden in the 7th and 8th years of our reign, and known as the War Time Elections Act, that certain persons thereby disqualified from voting, with such of their sons as on polling day are not of legal age, shall be exempt from combatant military and naval service;

**And Whereas** it is further provided by our said Military Service Act that applications for exemption from service shall be determined by our said local tribunals, subject to appeal as in the said Act provided, and that any man, by or in respect of whom an application for exemption from service is made, shall, so long as such application or any appeal in connection therewith is pending, and during the currency of any exemption granted him, be deemed to be on leave of absence without pay;

**And Whereas** our Governor-General of Canada in Council has determined to call out upon active service as aforesaid the men included in Class 1 as in the said Act and hereinbefore defined or described;

**Now Therefore Know Ye** that we do hereby call out the said Class 1, comprising the men in our said Military Service Act, 1917, and hereinbefore defined or described as to the said class belonging, on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada, as we may, in the command or direction of our Military Forces, hereafter order or direct.

And we do hereby strictly command, require and enjoin that each man who is a member of the said class shall, on or before the 10th day of November, 1917, in the prescribed form and manner, report himself for military service, unless application for his exemption shall then have been made by him or by another person entitled to apply on his behalf; wherein our loving subjects, members of the said class, are especially charged not to fail, since not only do their loyalty and allegiance require and impose the obligation of careful and implicit obedience to these our strict commands and injunctions, but moreover, lest our loving subjects should be ignorant of the consequences which will ensue if they fail to report within the time limited as aforesaid, we do hereby forewarn and admonish them that any one who is hereby called out, and who without reasonable excuse fails to report as aforesaid, shall thereby commit an offence, for which he shall be liable on summary conviction to imprisonment for any term not exceeding five years with hard labour, and he shall nevertheless, if we so require, be compelled to serve immediately in our said Expeditionary Force.

And we do hereby proclaim and announce that for the greater convenience of our subjects, we have directed that prescribed forms, for reporting for service, and for application for exemption from service, may, at any time on or before the said 10th day of November, 1917, be obtained at any post office in our Dominion of Canada; and that reports for service and applications for exemption from service, if obtained at any of our said post offices and properly executed, shall be forwarded by our postmaster at the post office from which the same are obtained to their proper destination as by our regulations prescribed, free of postage or any other charge.

And we do further inform and notify our loving subjects that local tribunals have been established in convenient localities throughout our Dominion of Canada for the hearing of applications for exemption from service upon any of the statutory grounds, as hereinbefore set out; that these our local tribunals so established will begin to sit in the discharge of their duties on the 8th day of November, 1917, and that they will continue to sit from day to day thereafter, as may be necessary or convenient, at such times and places as shall be duly notified, until all applications for exemption from service shall have been heard and disposed of; also that men belonging to the class hereby called out who have not previously to the said 8th day of November, 1917, reported for service, or forwarded applications for exemption through any of our post offices as aforesaid, may make applications in person for exemption from service to any of our said tribunals, on the 8th, 9th or 10th day of November, 1917.

And we do hereby moreover notify and inform our loving subjects who are within the class hereby called out, that if, on or before the 10th day of November, 1917, they report themselves for military service, or if, on or before that day, application for exemption from service be made by them or on their behalf, they will not be required to report for duty, or be placed upon active service as aforesaid, until a day, not earlier than the 10th day of December, 1917, which will, by our registrar for the province in which they reported or applied, be notified to them in writing by registered post at their respective addresses as given in their reports for service, or applications for exemption from service, or at such substituted addresses as they may have respectively signified to our said registrar; and we do hereby inform, forewarn and admonish the men belonging to the class hereby called out that if any of them shall, without just and sufficient cause, fail to report for duty at the time and place required by notice in writing so posted, or shall fail to report for duty as otherwise by law required, he shall be subject to the procedure, pains and penalties by law prescribed as against military deserters.

Of all of which our loving subjects, and all others whom these presents may concern, are hereby required to take notice, rendering strict obedience to and compliance with all these our commands, directions and requirements, and governing themselves accordingly.
