The Prince John had a full complement of passengers on leaving for the Islands last night.

Union Cards in a store mean better wages and shorter hours for employees. 248-50-52.

Mrs. H. E. McMillan and Mrs. Cambie will be in charge of the Red Cross tent on Friday.

The case against Wong How, the Chinaman, who was brought before Judge Young yesterday on a charge of larceny, was adjourned until Monday.

Mr. L. D. Templeman, of Vancouver, was among the arrivals in town yesterday and he left at midnight by the Prince John for the Queen Charlotte Islands.

The fishing boat arrivals are rather light today. The Ha brought in 4,000 lbs. halibut; Karl F., 4,000 lbs., and the Rainier 5,000 lbs. The price realized was 17% cents.

The tug "Dola" brought into port this morning the American barkentine "Venicia" of San Francisco. The sailing vessel is light and is on her way to Masset, where she will load lumber.

Sympathy will be extended to Mr. and Mrs. F. W. Doherty, whose little daughter Mary died yesterday afternoon. The child was but three months old. The funeral will take place today and will be private.

Word was received in the city yesterday that an accident had befallen a man named Chris Peterson, at Alice Arm. Dr. Hyde, accompanied by Constable Shiels, have left Anyox for Alice Arm to investigate.

No further word has been received in town regarding the disappearance of Mr. Walter Warner of the "Lillooet." The vessel was at anchor in Refuge Bay on Porcher Island, where Mr. Warner had a ranch. He got leave to go ashore, which he did about five o'clock on Sunday afternoon. He spent some time with Mr. Miller, the postmaster, and at 9:20 p.m. asked the use of Mr. Miller's boat to take him out to his vessel. Next morning he had not turned up on the Lillooet and on enquiries being made these facts were ascertained. Mr. Miller's boat is missing, which leads to the assumption that an accident must have taken place. A search was made by the Lillooet all around but no trace could be got of either the missing man or the boat. Mrs. Warner resides in Prince Rupert.

**AT THE POLICE COURT**

Before Magistrate Carss this morning at the police court, Myrtle Woods was accused of having in her possession in a licensed public bath house at 768 Eighth Avenue West, 149 bottles of beer and 5 bottles of distilled liquors, being contrary to the act. She was fined \$50 which was the minimum penalty. The raid on the premises was carried out by Constables Bailey and McGlinchey, and they found the liquor stored away in all sorts of places.

Emma Houston, of the Crescent Rooms, was also brought up on a similar charge. Seven bottles of champagne were found on her premises. She was let off on suspended sentence.

A few months ago, an Italian, a ratepayer in the city and father of a large family, was sentenced to six months' imprisonment for a similar offence. This was before the prohibition law came into effect. The man got six-months and the woman gets a fine of \$50.

**NOTICE TO AGREEMENT HOLDERS**

**"THE SEALED VALLEY"**

The play to be shown at the Westholme Theatre tonight is a tale of the gold rush. It has all the elusive charm of the north and is a story of great interest. The leading part is taken by Dorothy Donnelly, who has already appeared in Prince Rupert. Those who saw "Madame X" will remember her as an artiste of distinction. The play itself centres around the gold found in the Sealed Valley, and the tale is a romantic one.
