

**TURKISH AVIATORS  
ARE SENT TO OSTEND**

Washington, October 27.—Germany has sent about fifty Turkish and Bulgarian aviators to Ostend and Bulgarian aviators to Ostend for use in active service in the German aircraft corps, according to advices reaching Washington from Switzerland through a diplomatic channel. These flyers have been given a course of training in flying schools in Germany, and it is now intended to put them into active service. As Ostend is to be their base of operations they will probably be utilized with the German forces in the Flanders campaign and in future air raids over England.

# Canada Needs More Money to Carry on the War

Our armies must be fed, clothed, sheltered, provided with guns, ammunition, transportation, medical supplies, and a thousand and one other things. Our expenditures for this purpose are \$1,000,000 a day and are constantly increasing.

Canada also needs money to establish credits for the purchase of Canadian produce and products by Great Britain, because Great Britain can now buy on this side of the Atlantic only to the extent to which she can obtain dollar credits.

If Canada wants this trade, she must grant credit.

If Canada does not give credit, Great Britain will be compelled to purchase where credit is available.

Canada needs Great Britain's business—our entire agricultural, industrial and commercial prosperity depends upon it. Consequently Canada must have more money to finance this business.

The only way Canada can raise this money is to sell Bonds.

Because if the entire cost of the war were loaded on us to-day, in the form of increased taxes, the strain would be more than the people could or should be called upon to bear.

But, by selling Canada's Victory Bonds now, our children and our children's children (who will actually benefit most from the immense war sacrifices of this generation) will bear their share of the financial burden.

Canada's Victory Loan will be offered in November and you will be asked to buy the Bonds to enable Canada to carry on the war and help to preserve her agricultural, industrial and commercial prosperity.

*Prepare to buy Canada's Victory Bonds to the limit of your ability.*

## National Honour Demands That You Prepare To Buy Canada's Victory Bonds

Issued by Canada's Victory Loan Committee  
in co-operation with the Minister of Finance  
of the Dominion of Canada.
