A VISIT to The Bank of British North America for the purpose of depositing part of your earnings, becomes a pleasant and profitable habit, when once you have acquired it.

The dollar you use to open an account in the Savings Department in turn saves others, as the habit of saving grows.

## STRICKEN IN THE STREET

Completely Restored To Health By "Fruit-a-lives"

882 St. Valier St., MONTREAL.  
"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years, and my weight dropped from 225 pounds to 100 pounds. Then several of my friends advised me to try 'Fruit-a-lives'. I began to improve almost with the first dose, and by using them, I recovered from the distressing Stomach Trouble—and all pain and constipation were cured. Now I weigh 208 pounds. I cannot praise 'Fruit-a-lives' enough." H. WHITMAN.

### RED CROSS NOTES

The recent storm having damaged the Red Cross tent, the sale this week will be held in the Red Cross supply rooms across the street. Mrs. Peters and Mrs. McIntosh will be the ladies in charge this Friday.

The sum of \$5.50 is acknowledged with thanks through Mr. C. C. Perry from Miss Capper and Miss Sturges, of Greenvalley, on the Nans river, for the local fund.

The returns for "Our Day" are still coming in and the total amount is now over \$1,500 for the British Red Cross.

The demand for home-cooking at the Friday sales is continuing to be much greater than the supplies received.

At last Friday's sale the Provincial Government contributed two sacks of potatoes which on being drawn for went one each to Mr. Brand and Mr. C. E. Betts; Mrs. Vickers presented a pair of hand-knit socks, won by Billie Fisher, Jr.; D. G. Stewart a box of cigars, won by Major Cawley; Mrs. Clancy a necklace won by Mrs. Longpre; Harry Hooper, tea won by J. B. Roerig. The amount realized at the sale last Friday was \$43.

The Society acknowledges with thanks the sum of \$8.75 from Mrs. L. W. Patmore, being the proceeds of a dance held in her home last Friday evening.

### STAGE COACHES AGAIN?

Geneva, Oct. 27.—Stage coaches may again be soon running between towns in Switzerland. Owing to the ever-decreasing amount of coal arriving from Germany the Swiss Government has been forced to suppress half the number of passenger trains in Switzerland, beginning today, while those trains in service will not be heated. The Geneva Tribune learns that the entire suspension of passenger service is being seriously discussed, and it is possible that the Government will only permit the transport of merchandise.

## EXEMPTION TRIBUNALS.

Exemption Boards have been chosen in such a way as to make them absolutely independent and removed from all influence. There are over 1,250 boards throughout the country, each composed of two men, one appointed by the county judge in the district concerned and one selected by a joint committee of Parliament. Being familiar with local conditions where they sit, the members are well-fitted to appreciate such reasons for exemption as are put before them by men called up.

Exemption will be granted to those who can establish that it is in the national interest that they remain in civilian life. This is for the Exemption Board to decide after having received full information in each case.

The grounds on which exemption may be claimed (which are similar to the grounds recognized in Great Britain and the United States) are as follows:—

- That it is expedient in the national interest that the man should instead of being employed in Military Service, be engaged in other work in which he is habitually engaged.
- That it is expedient in the national interest that the man should instead of being employed in Military Service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications.
- That it is expedient in the national interest that, instead of being employed in Military Service, he should continue to be educated or trained for any work for which he is then being educated and trained.
- That serious hardship would ensue, if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position.
- Ill health or infirmity.
- That he conscientiously objects to the undertaking of combatant service and is prohibited from doing so by tenets and articles of faith, in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he in good faith belongs.
- That he should be exempt because disfranchised under the War Time Election Act.

No Claim for Exemption should be put forward unless one or other of these grounds in fact exists, and no loyal citizen should assist in, or allow himself to be made a party to, any Claim for Exemption unless thoroughly satisfied that it is made in good faith.

Exemption may be applied for by the men selected themselves or by their parents, near relatives or employers. Application for exemption must be made on printed forms, to be found at every post office, which are to be filled in and left with the postmaster if exemption is desired. The postmaster will forward the form to a Registrar, who will send it to the appropriate Exemption Board. In due time, then, the Applicant will get notice as to when he must present his case before the Board.
