Local News Notes

Royal Cafe for good eats. 258

Mr. M. M. English is in the city.

Mr. D. A. McDonald returned to Prince Rupert this morning.

Mr. C. J. Wright, of Oak Bay, has arrived in Prince Rupert on a visit.

Mr. W. F. Adamson, of the Naas river, is paying a visit to Prince Rupert.

Captain S. H. Lawrence arrived in the city by this morning's steamer.

Mr. E. Kirkland has returned to town after a trip to the southern cities.

Mr. and Mrs. C. Freeman returned to the city this morning on board the Prince Rupert.

Meeting them in the street, some of our local optimists still persist in saying, "It's a fine day."

Mr. H. F. McLeod was among the passengers arriving from the south by the Prince Rupert this morning.

A special train of ten cars of fish was despatched to the east this morning, which owing to the slide up river has had to return to Prince Rupert.

On Monday, November 5th, the Sisters of St. Joseph will open their Kindergarten and Commercial Day Classes in the Convent on Fourth Ave. Applications should be in on or before Saturday next. Full particulars on application.

The Bar Tenders Union of Prince Rupert have five of their members at the front. They are Messrs. Walter Scrimgeour, Harry Lyness (prisoner in Germany), Wm. Sullivan, Robert Gibson and Thomas Black. These all enlisted here. The union is sending to each of them a Christmas present of \$20.

FOR PRINCE RUPERT**

given an opportunity to say what they think on a question of this kind.

The present council will find themselves in the position where they will be liable to be greatly misunderstood if this bylaw is turned down, owing to the fact that it is coming very near election time and the reduction to four aldermen might possibly effect the personal ambitions of some of the council.

The reduction in Aldermen will, we believe, benefit the administration of the city's business. It has long been apparent that business is done better with a little talk as possible and that long debates in Council do not tend to the rapid transaction of business nor to its satisfactory conduct. What is wanted in this city is good management and that can be done better in a small rather than a large board.

**U. S. SUB-TREASURY
BURSTING WITH GOLD**

New York, Oct. 29.—Never in the world's history has there been such a quantity of gold under one roof as is stored today in the United States sub-treasury in Wall street. A corridor in the basement, through which little iron-wheeled trucks used to roll, has been shut off by steel gates and the gold stacked up for all the world like bricks awaiting the mason's hand, until the front tier presses against the gates. In that one pile is 1,200 tons of pure gold, much of it representing British coins sent here in payment of war supplies, and melted down in the furnace of the Assay Office next door. Each brick is worth approximately \$8,000, and the pile is valued at considerably more than \$600,000,000. In a neighboring vault are 86,000,000 silver dollars, and overhead so many gold certificates that a miser, allowed to run them through his fingers, might easily die of ecstasy before he had finished with the yellow certificates contained in a single one of the many steel chambers.

**PROPERTIES IN ALICE ARM
ARE SAID TO BE BONDED**

Mr. E. A. Haggren, writing this week in the Vancouver Province, states that the properties of the Dolly Varden Mines Limited, operating the Dolly Varden and Wolf groups, north of Alice Arm, are stated to have been bonded to the Goldfields Consolidated. A great deal of work has been done here by the Dolly Varden Company within the past two years, including several thousand feet of diamond drilling, about 1000 feet of drifting, and the installation of compressor, power drills, sawmill and railway.
