Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

TIRPITZ STILL AFTER A PRUSSIAN PEACE

Zurich.—Tirpitz continues his campaign in favor of a Prussian peace. In an interview with Hungarian correspondents he said:—"The first condition of a strong peace is to establish a protectorate over Belgium and the coast of Flanders. The Dual Monarchy needs a strong Germany, and has a vital interest in the abolition of Anglo-French predominance in the Mediterranean. Austrian Slav ambitions are endangering the safety of the Monarchy. Hungary too, needs German support, for the Russian menace may reappear at any time. The Central Powers must hold together till the U-boat decides the war, which it soon will. American help is and will remain mere bluff."

The democratic movement in Hungary causes the Admiral great annoyance, and he frankly tells the Hungarians that the Russian revolution has got on their nerves. Entente statesmen are nothing but dictators. In any case British must be utterly crushed. Tirpitz was a rival of Michaelis for the Chancellorship, and the whole militarist and reactionary bloc are very active in Switzerland. Many competent critics think that a decisive political coup may be attempted by the military party to silence the Reichstag.

EXEMPTION TRIBUNALS.

Exemption Boards have been chosen in such a way as to make them absolutely independent and removed from all influence. There are over 1,250 boards throughout the country, each composed of two men, one appointed by the county judge in the district concerned and one selected by a joint committee of Parliament. Being familiar with local conditions where they sit, the members are well-fitted to appreciate such reasons for exemption as are put before them by men called up.

Exemption will be granted to those who can establish that it is in the national interest that they remain in civilian life. This is for the Exemption Board to decide after having received full information in each case.

The grounds on which exemption may be claimed (which are similar to the grounds recognized in Great Britain and the United States) are as follows:—

- That it is expedient in the national interest that the man should instead of being employed in Military Service, be engaged in other work in which he is habitually engaged.
- That it is expedient in the national interest that the man should instead of being employed in Military Service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications.
- That it is expedient in the national interest that, instead of being employed in Military Service, he should continue to be educated or trained for any work for which he is then being educated and trained.
- That serious hardship would ensue, if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position.
- Ill health or infirmity.
- That he conscientiously objects to the undertaking of combatant service and is prohibited from doing so by tenets and articles of faith, in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he in good faith belongs.
- That he should be exempt because disfranchised under the War Time Election Act.

No Claim for Exemption should be put forward unless one or other of these grounds in fact exists, and no loyal citizen should assist in, or allow himself to be made a party to, any Claim for Exemption unless thoroughly satisfied that it is made in good faith.

Exemption may be applied for by the men selected themselves or by their parents, near relatives or employers. Application for exemption must be made on printed forms to be found at every post office, which are to be filled in and left with the postmaster if exemption is desired. The postmaster will forward the form to a Registrar, who will send it to the appropriate Exemption Board. In due time, then, the Applicant will get notice as to when he must present his case before the Board.
