501 CHAMPLAIN ST., MONTREAL.  
 "For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-lives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-lives" is the only medicine that helped me". LOUIS LABRIE.

In this commonplace building on Wellington Street in Ottawa more money is "made" than anywhere else in Canada. Last year the American Bank Note Company printed \$300,000,000 worth of bonds and \$150,000,000 of paper money (Dominion notes and chartered bank notes). Its latest undertaking was the printing of the Victory War Loan Bonds—\$150,000,000 worth. After the loan opens in November, there will probably not be a house in Canada without one or more of these bonds—plus the signatures that make them binding.

## THE NEW CHANCELLOR LIKED THE BACK STAIRS

Amsterdam, November 6.—The "Old Fox" is the soubriquet by which Count von Hertling is known in Bavaria, according to the Berlin Tageblatt. This descriptive name, the newspapers say was given to the Count because of the "backstairs" methods that have characterized his five and a half years of Bavarian premiership.

Little is expected from Von Hertling in the direction of internal reform, the Tageblatt declared. He always opposed parliamentarism, although he acted like a parliamentary minister.

Von Hertling has not felt the spirit of the new era, the newspaper says, in conclusion, but "his philosophical spirit long recognized that tish war must end otherwise than by annexations and the war indemnities that characterized small wars in the past. He is permeated by the spirit that is to bring about a new order of things in regard to the mutual relations between the nations of the world."

# LUX

An exquisite "newness" for all woollens

Somehow, with ordinary washing, one always thinks of woollen garments coming out of the wash a little worse off than when they went in.

Far otherwise when you let LUX wash them. They come out of the wash with a soft, fleecy "new" feeling, as well as being absolutely clean—quite unshrunk, and quite unthickened.

How is it done? Allow 3 tablespoonfuls of LUX for each gallon of water, which should be near the boiling point. Put the woollens in and stir them about with a stick. Then let them soak until the solution is cool enough for you to squeeze the woollens with the hands—when the dirt will run out. Then rinse in 2 or 3 relays of tepid water and hang to dry.

# Will Class One Provide The One Hundred Thousand Men?

It will be greatly to the advantage of Canada if the entire quota of 100,000 men to be raised under the Military Service Act can be secured from the first class; that is, from the men between the ages of 20 and 34 who were unmarried or widowers without children on July 6th, 1917.

This is almost self-evident for the following reasons:

it is admitted that, between the ages of 20 and 34, the average man is at the height of his physical strength and is most adaptable to the change of conditions from civilian life;  
 the military Service of unmarried men and widowers without children would occasion less distress than that of most others, since they are largely without dependents. Also, it would entail less financial burden for Canada, through separation allowances, etc.

Authorities estimate that, after all proper examinations have been allowed, Canada should be able to produce from the first class 100,000 men fit for service, so the drain upon the man power of the country will not be severe.

Members of Class One will be well advised to present themselves for examination immediately to the Medical Board in their district. Upon examination as to their physical fitness, they will be placed in one of the following categories:

- Category A—if fit for service in overseas fighting units.
- Category B—if fit for service overseas in Army Medical Corps, Forestry Battalion, etc.
- Category C—if fit for service in Canada only.
- Category E—if unfit for military service of any nature.

If not placed in category A, the applicant will know that he is not liable for immediate service, but will go to the Post Office and send in a claim for exemption with his Medical Certificate attached, when he will receive in due course a certificate of exemption until those in his medical category are summoned for service.

Where a man, who is placed in category A, feels that exemption should be allowed, an application form can be secured from the postmaster. This form, when filled in, will be forwarded by the postmaster to the registrar of the district, and the applicant will be informed by mail as to the time and place for the consideration of his application by the Exemption Board.

Issued By  
 The Military Service Council.
