

HEALTHIEST ONE IN THE FAMILY

No Sign Of Dropsy And Kidney Trouble Since Taking "FRUIT-A-TIVES"

HATTIE WARREN

Port Robinson, Ont., July 8th, 1915. "We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives'. She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them".

TO PREVENT BRIBERY

Ottawa, Nov. 8.—In setting up the machinery for the operation of the Military Service Act, special care has been taken to select only officials of the most trustworthy character. In the operation of the Act, attempts at bribery are always possible, in Canada no less than in other countries.

Attempt to bribe any member of an exemption tribunals or medical board, or a military representative, means a term of imprisonment of not less than one year and not more than five years. It will be very difficult for anyone so inclined to get aside the regulations of the Military Service Act by corruption.

Not all of the preparations made to guard against venality and unfairness in the operation of the Act can be made public, but it may be announced that attempts to bribe officials, in view of the checks and supervisions to be imposed, will be an exceedingly hazardous business.

Lloyd George says the Silver Bullet will win the war. Turn your dollars into bullets; buy Victory War Bonds.

MORE CONCRETE SHIPS

Copenhagen, Nov. 7.—A company is being formed here for the construction of reinforced concrete ships. It is believed the industry will have a future in Scandinavia owing to the rapidity with which such tonnage can be produced. Norway already has let the contract for its first concrete ship.

WESTHOLME THEATRE

"The Silent Partner" to be shown at the Westholme Theatre tonight is a powerful drama which teaches the great lesson of loyalty in business. It touches the daily lives of every one of us, and shows the reward which is reaped by a loyal stenographer, who is willing to risk every cent she has to save the fortunes of her employer. Not even the prospect of losing her own money will swerve this girl from her purpose of protecting her employer against his own partner. The story is intensely dramatic in its conception and grips the attention from the beginning. In addition, there will be a travelogue and a good comedy.

If you are too old to enlist, you are better able to invest; therefore, buy Victory War Bonds.
