WILL ATTEMPT TO SALVE BARQUE SUNK IN 1874

Victoria, Nov. 10.—In a venture made profitable by war prices for copper and coal, William Benjamin, diving expert of Seattle, is salvaging the remnants of the old barque Union, which foundered in San Juan Island waters forty-three years ago while bound from Nanaimo to San Francisco.

Benjamin's records are said to set a new record on the Pacific. As far as is known, the Union wreck is the most ancient to figure in salvaging operations on this coast. For the past five years Benjamin has been casting about in an endeavor to locate the old vessel, and now that he has found it the actual salvage operations will be proceeded with rapidly.

The hulk contains 600 tons of the best Nanaimo coal, all in as good condition as when the Union sailed from the Coal City in '74.

The Paper that gets Quick Results

"Bring Up The Massed Battalions of Finance"

"To defeat the German I want you (representing investors of all classes) to bring up the massed battalions of finance—to bring up your reserves and simply smother the Hun with all arms—big guns and small—hundreds of subscriptions of a million dollars and millions of subscriptions of a hundred dollars."

Lord Northcliffe—before the Convention of the American Bankers' Association.

When Lord Northcliffe urged those financiers to bring up their massed battalions of finance it was no empty, high-sounding request. It was a dead-in-earnest injunction. Because, Money is the fundamental basis of every weapon of defence and offense, and there is no substitute for it.

It costs one million dollars a day to feed, clothe, shelter, transport and munition the Canadian army, and this cost will increase.

But in addition to raising money to maintain our army, we must also raise money to extend credit to Great Britain, because she can now buy, on this side of the Atlantic, only to the extent to which she can obtain dollar credits.

Canada needs, and must have, Britain's trade; our whole agricultural and industrial prosperity depends upon it. In order to get this trade, we must give the credit.

These, then, are the two great reasons why it is so imperative to make Canada's Victory Loan an overwhelming success, and why every man and woman who can should buy Canada's Victory Bonds.
