Canada Must Change that Record

FEWER CANADIANS in proportion to the population have lent their money to the nation than have either the British or American people.

This in spite of the fact that the individual wealth of the Canadian people to-day is greater than it has ever been and is one of the largest of any country in the world.

Canada wants you to help change that record now.

You owe it to Canada, to yourself, to your children, to see that it is changed.

If you never bought a war bond before do it now. Be ready when the canvasser calls.

Remember this—That to win this war every man and woman in Canada must do his or her share, and to-day the most important, vitally necessary thing is to buy Victory Bonds.

Help to Change Canada's Record to 1 in 20 Buyers of Victory Bonds

Issued by Canada's Victory Loan Committee
in co-operation with the Minister of Finance
of the Dominion of Canada.
