If Eggs are High Don't Use Them

When eggs get as high as they are now women set their heads working and get along as well without.

We've dozens of recipes that women have given us since they have discovered that Pacific Milk can be made to take the place of eggs in so many places.

Here's a Date Pudding.

Rub ½ cup of lard into 2 cups of flour, one teaspoonful of baking powder and one cup of sugar sifted together. Add one cup of chopped dates and pour in ½ cup Pacific Milk. Mix well and steam one hour.

We shall be glad to print any recipes you may send in that will help to reduce the cost of living. If they contain Pacific Milk we will send you a little surprise.
