Are The Four Fruits Used in Making "Fruit-a-tives

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is *entirely different from any other preparation in the world*, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives", *is composed of the active principle of fruit and the greatest nerve tonic ever discovered.* 50c. a box, 6 for $2.50, trial size, 25c. BORDEN CRITICISED BY MR. J. S. EWART

Ottawa, Dec. 1.—The Evening Journal today says: Mr. J. S. Ewart, K. C., the well known publicist, has issued a pamphlet entitled "The Disruption of Canada," in which he says that "After many years of abstention from politics, I venture at this most serious period of Canada's history to offer counsel to my fellow-electors."

He says that, in his opinion, Sir Robert Borden is in very large measure responsible for "that most deplorable situation," namely, the disruption of the Dominion. "He ought to have dissociated himself and his party from the Nationalist propaganda in 1910. But he did not," says Mr. Ewart.

"He ought not to have given seats in his Cabinet—the only three French-Canadian seats that he had—to men who had taken a leading part in the Nationalist propaganda. But he did. He ought not to have introduced the conscription bill. If conscription had been necessary he ought to have preceded his introduction by a campaign of education. While recruiting was proceeding he ought to have declined to deplete the farms."

Mr. Ewart concludes by declaring that "neither Sir John Macdonald nor Sir Wilfrid Laurier would have reduced Canada to such disastrous cleavage."

POINTS OF INTEREST FOR INTENDING VOTERS

There are many points about the Dominion elections act as affected by the war time elections act and the new provisions which will be applicable to the voting in the coming elections.

The following are some points which will be of interest to the voters in the coming federal election:—

Where provincial requirements as to residence cannot be applied at the time of making the lists the residential qualifications of voters is one year in the province and thirty days in the electoral district prior to the issuance of the writ of election.

Wives, widows, mothers, sisters and daughters of persons, male or female, alive or dead, who are serving or who have served outside of Canada in any of the military forces of Canada or Great Britain or within or without Canada in any of the naval forces, excepting such female relatives of persons who have ceased service in otherwise than an honorable manner are entitled to vote. No such relatives of persons who have joined the naval forces of Canada since the passing of the war time election act on September 20, 1917, will have the vote.

Lists to be Posted.

Fifteen days before the polling day (Dec. 17) lists of the voters in each polling subdivision will be posted in said subdivision. The enumerators then sit two hours per day for ten days preceding polling day to revise the list, answer inquiries and execute transfers of votes of election officers and agents whose duties may take them away from the polling subdivision on election day. Up to five days before election the enumerator may upon the representation of any credible person add or strike off the lists any name.

There are no printed lists. On election day electors whose names are not on the lists may appear before the enumerator who sits within or near the polling place. If they are entitled to vote they are given certificates. Any person who is refused a certificate may demand and obtain a written refusal which entitles him to a ballot which is sealed in a nenvelope and not counted excepting in case of a recount and then only upon proof of his right to vote. Votes of persons challenged are treated in the same manner.

There is an enumerator in each polling subdivision. Entirely new lists are being made out in Prince Rupert. The lists when completed will be posted outside the polling booths or outside the postoffice.

May be Sworn.

Every person, whose name is on the list, can be sworn by candidate, agent, or elector, and if the oath is refused the voter loses the right to cast a vote in the election. The oath is:

"You swear that you are legally qualified to vote at this election, that you are of the (male or female) sex, a British subject, resident of Canada, and of the full age of 21 years. (In case of a female voter the following is added): You do further swear that you are the (wife, widow, mother, sister or daughter as the case may be) of a person who is serving or has served without Canada in the military forces (or within or without Canada in the naval forces) of Canada or of Great Britain in the present war."

The following people are unqualified to vote:

The judges of every court whose appointment rests with the governor-in-council;

Persons disenfranchised for corrupt practices under the act;

Criminals, lunatics, inmates of poor houses and such institutions;

Any person who has applied for exemption from military service on conscientious grounds and who has not been refused;

All Mennonites and Doukhabors excepting those who may have enlisted;

Every naturalized British subject who was born in an enemy country and naturalized subsequent to March, 1902, excepting those who have enlisted and served out of Canada in the Canadian or British armies, or in or without Canada in the navy; or have tried to enlist and been refused because medically unfit; or those who are grandparents, parents, sons, or brothers of such as who have so enlisted or tried to enlist; or those who are or have been during the present war members of the parliament of Canada or any province; or those Syrians and Armenians who are Christians; or those who are females entitled to the vote through relationship to a soldier.

Every person who has been convicted of an offense against the military service act has no vote.
