

RHEUMATISM WAS MOST SEVERE

Devilish Pain All The Time Until He Took "FRUIT-A-TIVES".

Verona, Ont., Nov. 11th, 1915. I suffered for a number of years with Rheumatism and severe Pain in Side and Back, from strains and heavy lifting.

When I had given up hope of ever being well again, a friend recommended "Fruit-a-tives" to me and after using the first box I felt so much better that I continued to take them, and now I am enjoying the best of health, thanks to your remedy.

A CANADIAN ON THE ENGLISH REGIMENTS

"I don't know how far back my family dates in Canada," said a Canadian soldier, "but I know that my grandfather was born there and his father before him. I reckon that I'm a real Canadian, all right, and naturally I'm glad when I hear my own place cracked up. But I'm getting kind of sick at hearing the Canadians being praised to death, while the English troops get so little said about them. It isn't that our fellows don't fight all right, but when you get down to it I reckon you don't fight any better than any other of the British troops. In a way, I know it's the fault of the English themselves that they don't get any advertisement. They are too quiet.

"It's the same over in France. If the English troops get a job to do, they just turn up the cuffs of the tunics, screw on their tin helmets a bit, and walk into it, sucking their teeth. They never seem to get hotted up like us. We Canadians and the Australians always seem to know when we're in on a big scene, but the English troops play the same way all the time. You can put them into the most awful hole, give them the most heart-breaking job, and they just do the business in that same redemptive sort of way, never realizing that they're doing anything out of the day's work. They are like nothing so much as a lot of terriers and bull-dogs—terriers for quickness and bull-dogs for grit and patience.

"That's the wonderful thing about the Home troops; they've got the unbreakable limit for patience. I always like to see them clearing a Boche trench. They just go along it and clean out every funk-hole quiet and businesslike. If they've got to hold a bit of line against Boche counter attacks, they'll hang on by the skin of their teeth. There isn't a quitter in the whole mob. Then look at the length of the line they hold—why the little bit that the overseas troops hold is only the tiniest little fraction of it. If you ask me, I say that the what you call 'English Line Regiments' are the backbone of the army, and its ribs, too. You can go where you like, France, Mesopotamia, Palestine, Egypt, Africa, Macedonia, and you'll find that the English are there doing the main part of the business in the same quiet, reflective kind of a way. No fuss; just quiet patient work.

"I'm not running down my own crowd, mind you, or the Australians or New Zealanders or any of

POINTS OF INTEREST FOR INTENDING VOTERS

There are many points about the Dominion elections act as affected by the war time elections act and the new provisions which will be applicable to the voting in the coming elections.

The following are some points which will be of interest to the voters in the coming federal election:

Where provincial requirements as to residence cannot be applied at the time of making the lists the residential qualifications of voters to, one year in the province and thirty days in the electoral district prior to the issuance of the writ of election.

Wives, widows, mothers, sisters and daughters of persons, male or female, alive or dead, who are serving or who have served outside of Canada in any of the military forces of Canada or Great Britain or within or without Canada in any of the naval forces, excepting such female relatives of persons who have ceased service in otherwise than an honorable manner are entitled to vote. No such relatives of persons who have joined the naval forces of Canada since the passing of the war time election act on September 20, 1917, will have the vote.

Lists to be Posted.

Fifteen days before the polling day (Dec. 17) lists of the voters in each polling subdivision will be posted in said subdivision. The enumerators then sit two hours per day for ten days preceding polling day to revise the list, answer inquiries and execute transfers of votes of election officers and agents whose duties may take them away from the polling subdivision on election day. Up to five days before election the enumerator may upon the representation of any credible person add or strike off the lists any name.

There are no printed lists. On election day electors whose names are not on the lists may appear before the enumerator who sits within or near the polling place. If they are entitled to vote they are given certificates. Any person who is refused a certificate may demand and obtain a written refusal which entitles him to a ballot which is sealed in a envelope and not counted excepting in case of a recount and then only upon proof of his right to vote. Votes of persons challenged are treated in the same manner.

There is an enumerator in each polling subdivision. Entirely new lists are being made out in Prince Rupert. The lists when completed will be posted outside the polling booths or outside the postoffice.

May be Sworn.

Every person, whose name is on the list, can be sworn by candidate, agent, or elector, and if the oath is refused the voter loses the right to cast a vote in the election. The oath is: "You swear that you are legally qualified to vote at this election, that you are of the (male or female) sex, a British subject, resident of Canada, and of the full age of 21 years. (In case of a female voter the following is added): You do further swear that you are the (wife, widow, mother, sister or daughter as the case may be) of a person who is serving or has served without Canada in the military forces (or within or without Canada in the naval forces) of Canada or of Great Britain in the present war."

The following people are unqualified to vote: The judges of every court whose appointment rests with the governor-in-council;

Persons disenfranchised for corrupt practices under the act;

Criminals, lunatics, inmates of poor houses and such institutions;

Any person who has applied for exemption from military service on conscientious grounds and who has not been refused;

All Mennonites and Doukhobors excepting those who may have enlisted;

Every naturalized British subject who was born in an enemy country and naturalized subsequent to March, 1902, excepting those who have enlisted and served out of Canada in the Canadian or British armies, or in or without Canada in the navy; or have tried to enlist and been refused because medically unfit; or those who are grandparents, parents, sons, or brothers of such as who have so enlisted or tried to enlist; or those who are or

have been during the present war members of the parliament of Canada or any province; or those Syrians or Armenians who are Christians; or those who are females entitled to the vote through relationship to a soldier.

Every person who has been convicted of an offense against the military service act has no vote.

NOTICE

A desperate attempt is being made to bring the real issues in this campaign. Conscription and Union Government are only red herrings drawn across the trail. The real issue is the record of the Borden Government, and in this connection it would be well to remember

- The Colonel J. Wesley Allison scandal. The paper shoe scandal. The binocular scandal. The trench shovel scandal. The spavined horses scandal. The drugs scandal. The Ross rifle scandal. The army truck scandal. The C. N. R. scandal.

No Eggs, Milk or Butter

The following recipe shows how an appetizing, wholesome cake can be made without expensive ingredients.

In many other recipes the number of eggs may be reduced one-half or more by using an additional quantity of Dr. Price's Cream Baking Powder, about a teaspoon, in place of each egg omitted.

EGGLESS, MILKLESS, BUTTERLESS CAKE

1 cup brown sugar 1 teaspoon nutmeg 1 1/2 cups water 1 teaspoon cinnamon 1 cup seeded raisins 1/2 teaspoon salt 2 ounces citron 2 cups flour 1/2 cup shortening 3 teaspoons Dr. Price's Baking Powder

The old method (fruit cake) called for 2 eggs DIRECTIONS—Put the first eight ingredients into saucepan and boil three minutes. When cool, add the flour and baking powder which have been sifted together; mix well. Bake in moderate oven in loaf pan (crack lid with hole in center in head) for 35 or 40 minutes. Ice with white icing.

Boxlet of recipe which economizes in eggs and other expensive ingredients mailed free. Address 6 St. Lawrence Boulevard, Montreal.
