HONESTY

One of the principle arguments put up in this election campaign is that if the Liberals are elected, Canada will drop out of the war, which anyone who thinks for a minute knows to be rubbish.

In the manifesto which was issued by Sir Wilfrid Laurier, he states that the first duty of a Laurier administration would be to "find the men, money and resources necessary to ensure the fullest measure of support to our heroic soldiers at the front and to enable Canada to continue to the very end to do her part to win the war."

That is what Sir Wilfrid Laurier is out to do, but that is not all. Sir Wilfrid takes heed to the other necessities of the Dominion. He continues: "In this election, the supreme end is to assist in the tremendous struggle in which we are engaged, to avoid the divisions and discords, which, for many years kept in check, are now unfortunately again looming up dangerously and threateningly; resolutely to face the economic situation with the view of avoiding and lessening the privations and sufferings which should not exist in a country so richly endowed by nature as our country."

The Tories read into this statement, of course, the "betrayal" of the soldiers in the trenches, and the dropping out of Canada from doing her share in the Empire's hour of need. This of course, is done for a specific purpose. The loyal Tories, who now call themselves Unionists, take unto themselves a corner in loyalty. They deny that such exists among the Liberals. They have it all. Laurier, who they denounced from one end of Quebec to the other six years ago, as too British, is now a traitor. This tremendous solicitude for winning the war, and the ex-

treme protestations of loyalty, together with the aspersions cast upon the Liberals is for the one and only purpose which is to distract attention from Canada's economic situation. While the people are arguing about conscription their minds are occupied, and they will be too interested to consider the delinquencies of the Borden government. The economic situation of the Dominion is one that will require to be faced "resolutely." The whole scheme of taxation requires to be revised, as well as the tariff. Taxation and tariffs have to be brought up to date. They concern the people. The Tories bluffed the electorate six years ago on that very same question. But they cannot do it twice. Instead of being in the interests of one little class of the community, as at present, these have to be revised in the interests of the people. This, however, the profiteers and the Canadian manufacturers have no desire for. This is why such a strenuous effort is being made to poison the public mind against Laurier, one of the Empire's statesmen. They have not the common honesty to fight for their position upon its merits, but have it camouflaged first with the win the war movement and the adoption of all methods, even the name of the Kaiser, to burke the real issue.

Profits and the continuance of their plundering the people at their pleasure are more to these loyalists than the welfare of Canada. What matters it if Canada is torn with internecine strife? So much the better for them, if the creation of racial enmities will help to keep them in power.

According to Sir Sam Hughes the plan of forming the so-called Union government was evolved by Sir Joseph Flavelle and Sir Thomas White. It was their hand which Sir Robert Borden played, and well they knew that Laurier would not lend his name to the carrying out of an autocratic policy with the formation of which he had no say. No honest man could do otherwise. Borden's Union government can hardly be classed as being representative

Don't say "Breakfast Food"—say "Shredded Wheat"—for while you no doubt mean Shredded Wheat, you may get one of those mushy porridges that are a poor substitute for the crisp, delicious shreds of baked whole wheat—that supply all the nutriment for a half day's work. Two Biscuits with milk or cream make a nourishing meal at a cost of a few cents.

of the United people of Canada, seeing that there are 227 straight Liberals opposing the Union candidates through the country. Considering everything, it is no wonder the feeling of distrust is abroad in Canada with the actions of the Borden government.

CHINA MAKES MONEY OUT OF HUN SHIPPING

London, Dec. 8.—Advices from China state that Premier Tuan has agreed to sublet all the enemy ships seized by China to the Entente at from 40 to 45 shillings per ton. China is determined to allow the Entente to have the ships, as it is the only effective way in which she can assist the Allies.

It is reported that the Chinese Government has decided to hand over nine enemy ships, aggregating approximately 30,000 tons, to Great Britain at the rates agreed upon for charter. The vessels to be turned over to the Entente by China are: Albenga, Bohemia, China, Kathe, Deike Riekmers, Triumph, Helene, Sexta and Silesia.

BANK OF ENGLAND BREAKS PRECEDENTS

New York, Dec. 8.—The Bank of England, according to private advices received here yesterday, has broken all precedents, and is now paying 4 1/2 per cent. interest on deposits by banks for foreign account. It is understood that the Bank of England decided upon this movement for the purpose of attracting funds. For some time past the principal London banks have been paying higher interest rates on balances of foreign accounts than on domestic funds, but heretofore the Bank of England has not paid any interest whatever on any accounts.

BE CLEAN INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent. of human life was caused by accumulated waste in the lower intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of their recommendation and those of their own, been steadily growing in favor.

Recently, however, the startling news, which has been covering the country that great surgeons and specialists have been operating on the Lower Intestine in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping the Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is by no means an exceptional one amongst the hundreds on our file:—

703 7th Ave. South, Lethbridge, Alberta. Dr. Tyrrell, Toronto:

"Dear Doctor Tyrrell,—After using your "J. B. L. Cascade" for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great benefit it has been to me. You cannot feel my emotions as I write this letter in praise of you in your great work. Words simply fail to express my thankfulness for your first learning of your Cascade. I prefer to using it I could not go a day without a drug of some sort, and since using it I have not, on my word of honor, sweated over five cents' worth of drugs. I spent over \$200.00 in the two years previous to hearing of the "J. B. L." Would that all the young men and women I see in this town with their faces covered with horrid, ugly pimples would use it. I must soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the "J. B. L." May you enjoy this life to the full.

Sincerely yours, William Devoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, content and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 3rd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 163 College Street, Toronto, for this book.
