LIFE AND HOPE

For the second time during these last few tempestuous months in Russia, Korniloff is up in arms against the constituted authority of the government. Some months ago, he could see whither the policy of Kerensky was leading and he realized the weakness of a people drunk with their new found freedom. Too well he knew the difference between freedom and licence and his demand for discipline and obedience to the law, whether civil or military, was logical. His forces melted away, however, when it came to fighting against the burning enthusiasm of Kerensky. Now Kerensky is no more a power in Russia, so far as can be learned.

This time Korniloff has a man of a different stamp to oppose in the person of Trotsky. He may be more successful. Whether he should become dictator of Russia either for his own glory or for the ultimate good of the Russian people, it is safe to say that he will be enabled to present a formidable front to the Kaiser, if he comes out on top. If the Russian people have any sense at all, they will know that a general peace, which all the belligerents desire, can only come after the danger of the further breaking of that peace is finally removed. That can only come when the military caste in Germany is decisively discredited among the German people themselves. And the only way to do that is to beat the German armies in the field until they are powerless for further harm. More power to Korniloff!

WHAT IT MEANS

There is much more to this impending election than the sole matter of the Military Service Bill, which the Tories are so fond of explaining is the only issue. The Military Service Bill is the law of the land. Sir Wilfrid Laurier told the people of his own province of Quebec to obey the law, which they have done, too. The men of military age in the Dominion have done their part with regards to the act, but the Borden

government, for reasons best known to themselves have delayed putting its original provisions into force. Notwithstanding all the hurry for reinforcements for the boys at the front, there is still no sign of a single man in uniform in Canada as a result of this Act. Still, it is the law. It is past and done with. If the men who have reported for service are not called-up and in training by this time, the fault lies with the Borden government. What's the matter with them, seeing that more men are so urgently required, as they say.

The real fact is that the United States have so many men ready to go over to France that the allied shipping is booked up for months to transport them. All this ultra patriotic talk about leaving our boys "in the lurch" and "betraying" them is for election purposes merely. The fact that in Canada there is a greater scarcity of men for farming, for lumbering, for mining and for other munition work than there is in France for fighting. Farming, lumbering and mining provide man-sized jobs and require Class A-1 men.

In producing copper from the mines, in producing aeroplane spruce logs, and producing food for the soldiers and the allies, men engaged in these necessary industries are doing their bit to win the war just as much as the conscript would.

Foolish talk about Germany winning the war for lack of Canada's hundred thousand conscripts does not get anywhere. A hundred thousand men making aeroplanes in Canada, in logging, sawing, building, and fitting and learning to fly might go a great deal further to beat the Kaiser at his own game.

Let the government conscript the war industries and the people of Canada, instead of the profiteer, will pile up such a supply of silver bullets as will hearten the allies to a much greater extent. But Borden would never do that. The very profiteers themselves would not let him. If Canada is to be placed upon a war basis, government control must extend

You Can Do Your Bit
in the trenches, in the home, in the office, in the factory, in the store, when the body is nourished with foods that build healthy muscle without overtaxing the digestive organs. **Shredded Wheat Biscuits** contains the greatest amount of body-building nutriment at lowest cost. It strengthens the muscles of the stomach and intestines by making them do their normal work in a natural way. A better-balanced ration than meat or eggs, more easily digested and costs much less. further than over the destinies of a hundred thousand men.

NOTES AND COMMENTS

The alleged Union Government is still the Borden Government. Isn't Borden the boss of the government? And isn't Flavelle the boss of Borden?

Six Liberals introduced into a company of sixteen Conservatives makes up a Union Government. That's Borden's idea of a fifty-fifty split. And the local Tories will insist that it's a Union Government.

Besides the Union of the people's representatives, the union of the people is necessary for the success of a Union government. The Tories who are loudest for this Borden Union Government are the people who have done all in their power to burst Canada wide open. Yet they're Unionists.

When Sir Wilfrid Laurier forms his Union Government, as he promises to do, wonder if the local Unionists will be so strong for Union, then.

The Union Government's lithographs showing the dead on the fields of Flanders shaded by the Union Jack, and catering for votes is apparently acting as a boomerang. A local citizen on seeing it the other day remarked: "I have two brothers dead in Flanders. And these rotten politicians are using my dead to win them the election, the heartless brutes. No support to them from me."

In 1911 the Tory cry was "Anything to beat Laurier." This time it is "everything to beat Laurier." Canada's glorious dead are being regarded as electioneering matter and we already know how the Kaiser has been exploited. And even at that the Tories will need more than everything to beat Laurier.

BE CLEAN INTERNALLY

Over 500,000 People Are Now Doing So.

For many years physicians have agreed that 95 per cent. of human life was caused by accumulated waste in the lower intestine; that in our present way of living Nature could not remove all this waste without assistance, no matter how regular we might be; and that the poisons from this waste circulated through the blood pulled us away down below par and were responsible for many diseases of a serious nature.

During this time the "J. B. L. Cascade" for Internal Bathing has, because of its recommendation and those of its own, been steadily growing in favor. Recently, however, the startling news, which has been covering the country, has been operating on the lower intestine in such serious diseases as Tuberculosis, and attribute such conditions of chronic ill-health as Nervous Debility and Rheumatism to this cause, also saying that these poisons are favorable to the development of Cancer and Tuberculosis (as stated in a recent article in The New York Times), has caused people to become thoroughly awake to the importance of keeping the Lower Intestine free from all poisonous waste matter, and over 500,000 are now using Internal Baths.

This enthusiastic and grateful letter is B. J. No means an exceptional one amongst the hundreds on our file—

703 7th Ave. South, Lethbridge, Alberta. Dr. Tyrrell, Toronto:

"Dear Doctor Tyrrell,—After using your 'J. B. L. Cascade' for four months, I feel it my duty as a thankful patient to express my enthusiasm for the great blessing it has been to me. You cannot feel my emotions as I write this letter. I am simply full to express my thankfulness for first learning of your Cascade, and then to using it. I could not get a day without a drug of some sort, and since using it I have not, on my word of honor, swallowed five cents' worth of drugs. I spent over \$300.00 in the two years previous to hearing of the 'J. B. L.' I would that all the young men and women I see in this town with their faces covered with horrid, unsightly pimples would use it. They would soon get rid of them, as I did. I must stop, or I will be keeping you from your work, but I could fill ten more pages of my past condition of health, also in praise of the 'J. B. L.' May you enjoy this life to the full.

Sincerely yours,
William Denoy.

If you try the "J. B. L. Cascade" you will find yourself always bright, content and capable—the poisonous waste makes us bilious, blue, dull and nervous. Internal Baths are Nature's own cure for Constipation—just warm water properly applied. Drugs force Nature—the "J. B. L. Cascade" gently assists her.

Call and see it at Cyril H. Orme's Drug Store, Cor. 2nd Avenue and 6th St., Prince Rupert.

Ask for "Why Man of Today is Only 50 Per Cent. Efficient," a booklet of great interest, which is given on request. If you prefer, write at once to Chas. A. Tyrrell, M.D., 143 College Street, Toronto, for this book.
